President Decides to Meet Germany's Insults On Sea with Sweeping Action

CALLS AN EXTRA SESSION APRIL 2

War Today Seems Just Ahead When President Announces He Will Send Communication to Congress Regarding Grave Matters of National Policy Which Must Be Met Immediately. Declaration of War May Be First Act of Congress.

MARKS END OF EFFORT TO KEEP PEACE

BY ROBERT J. BENDER

(U. P. Staff Correspondent)

Washington, March 21.—President Wilson today called congress into extra session for April 2. He has decided to meet Germany's high seas affronts with sweeping action.

War today seemed just ahead. Congress will be asked to consider aggressive steps to be taken toward Germany. With a state of war admittedly existing as a result of U-boat attacks on American merchant ships, a declaration of war may be the first action taken by congress. If the president does not ask a war declaration, congress may demand one.

Active steps will be taken to put aside submarine attack if they get the chance.

The cabinet members generally are said to have expressed their willingness to support a program based on an early call for congress and a formal declaration that a state of war exists between Germany and the United States.

Last night the President went to the theater—a thing he frequently does when he has made a preliminary decision on a grave question and wants distraction in order to look at the problem anew with freshened mind.

The president's course marks the end of his constant efforts to keep this country at peace even with Germany.

The president in his proclamation said he will send a communication to congress regarding the grave matters of national policy which must be met immediately.

In reaching his conviction to lay before congress the grave problems of determining the national policy for Germany, the president brought to an end a struggle for peace—not only with his advisors but with himself—perhaps the most dramatic in history.

Holding out against argument for war-like action until the last, the president was loath to take a course which he believed might be construed as forcing the issue.

Appeals were made to him by his cabinet and through hundreds of telegrams from the people of the country that aggressive action be taken immediately. His advisors told him that to assume a positive stand against Germany would be to encourage the new Russian government, hearten the allies troops in the field and perhaps create an irresistible demand in Germany for the overthrow of the autocracy system and bring everlasting peace to the world vastly nearer.

Among officials virtually the unanimous opinion is that in spite of the technical armed neutrality status of the United States actually a state of war exists as the result of the ruthless destruction of American merchant ships and the killing of American citizens in defiance of international law and of the most solemn warning one nation can give another. The only question is what shall be done about it, further than the arming of merchantmen to re-

(By United Press)
Washington, March 21.—Five Americans died in the sinking of the American steamer Vigilancia. The consul at Plymouth reported the death list to the state department today. Four were members of the crew, and one a passenger.

FORTY-SIX ENTER NOT GUILTY PLEAS

Remainder of 150 Arraigned on Election Fraud Charges in Indianapolis Plead Guilty

OR ELSE FILE DEMURRS

Judge Anderson Orders Investigation of Charge of Tampering With Accused Men

(By United Press.)

Indianapolis, Ind., March 21.—Forty-six of the 150 indicted by the federal grand jury on election fraud charges pleaded guilty when arraigned in federal court today. The others pleaded not guilty or filed demurrers. Judge Anderson immediately overruled all demurrers however and pleas of guilty were entered for all who had filed them.

Following the arraignment special attorney general Frank C. Daily told the court that many of the indicted men had previously asked to plead guilty but when arraigned pleaded not guilty. Judge Anderson ordered an investigation of the charge of tampering with the accused men.

All Gary men indicted pleaded not guilty; six of the fourteen Indianapolis men pleaded guilty; two of the eight Frankfort men pleaded guilty and 38 Evansville men pleaded guilty.

It was believed this morning before the arraignment that a majority of those indicted would plead not guilty, but a large number of minor

MILITIA MAY BE ORGANIZED HERE

Papers are Being Circulated for Local Company of National Guard and 25 Enlist

STATE NEEDS FIVE UNITS

With the country facing a grave international crisis and a declaration of war expected when congress convenes in extraordinary session on April 2, the time is believed right for the organization of a company of the national guard here. Papers were being circulated today and at noon twenty-five signers had been secured. It is hoped to secure a full company of 105 officers and men. There are five vacancies in the guard in Indiana and the supporters of the movement believe a company here would be a good thing for the community.

John H. Kiplinger, while in Indianapolis recently, had a talk with Adjutant General Smith and was told that the state needed these five guard units. The enlistment covers a period of three years and the age limits are between 18 and 35 years. It is planned to make the local company an infantry organization. Weldon Brann, Allen H. Blackledge or Mr. Kiplinger will gladly furnish any information on the subject.

FIVE DIE ON VIGILANCIA
(By United Press)
Washington, March 21.—Five Americans died in the sinking of the American steamer Vigilancia. The consul at Plymouth reported the death list to the state department today. Four were members of the crew, and one a passenger.

RELIEF FUND IS BROUGHT TO CLOSE

Total Amounts to \$2190.00, the Sum of \$120.75 Having Been Contributed Today

MANILLA M. E. CHURCH \$43.25

St. Mary's Catholic Church Donates \$25, Helping to Swell Last Day's Receipts

The complete list of subscriptions to the Newcastle relief fund will be found on page 5 of today's issue.

936 VOTES CAST FOR MAYOR

Many Claims are Cut Down, Inspectors Being Allowed But Two Days Less Than City Election

The Newcastle relief fund was increased by \$120.75 today, bringing the total subscriptions by Rush county citizens up to \$2190.00.

This is not far short of the \$2,500, the goal which the county set, and much more than even the most optimistic believed would be voluntarily donated for the aid of sufferers in the tornado of a week ago Sunday.

Many expressions have been heard on the fine way in which Rush county responded to the appeal for help from a neighbor. The contributing was characterized by the same good will that was manifested when a fund not much smaller than the present one was raised in this county in 1913 for the aid of Brookville people who lost heavily in the flood.

John W. Rodgers of Newcastle, chairman of the finance committee there, called Mayor C. L. Bebout up on long distance telephone last night to personally thank him and the citizens of Rush county for the liberal manner in which they had answered Newcastle's call for assistance.

Mr. Rodgers said he had intended to write a personal letter of thanks and acknowledgement for the contributions sent from here but that he had had no time to attend to correspondence. Mr. Rodgers said, however, that as soon as time permitted, he expected to write a letter to the citizens of Rush county thanking them on behalf of the citizens of Newcastle. Pending that time, however, he felt he should call by phone to let Rush county people know that Newcastle appreciated her efforts. Mr. Rodgers was so hoarse from a cold contracted while doing relief work that he could scarcely talk over the phone.

SMALL CAR HITS FARM HORSE

Wilmer Hall Stunned by Collision on Posey Farm

Wilmer Hall was badly bruised yesterday when a gasoline car on the C. I. & W. on which he was riding collided with one horse of a team driven by Fred Posey at the private crossing on the Posey farm about four miles west of the city. Hall's companion jumped and was not hurt but Hall remained on the car and was badly stunned by the impact. The car was running about thirty miles an hour and neither the men on the car nor the driver of the team saw each other until just before the collision. The team was pulled aside enough to avoid a direct collision.

John Fleener is critically ill with double pneumonia.

PLANS TO PAVE THIRD STREET AND OIL UNIMPROVED STREETS

Council Instructs City Engineer to Draw up Specifications for Permanent Improvement

STREET NEEDS REPAIRING

Proposed Pavement Will Extend From Buena Vista Avenue to Julian Street on East

LIGHTER OIL TO BE USED

This Work to be Done Under Direction of Street Committee at Its Own Discretion

All unpaved streets in Rushville will be oiled this spring as in the past three years. This was made certain last night when the city council instructed the city engineer to draw up plans and specifications. Various plans for the oiling were discussed and the council seemed agreed that an oil lighter than that used in former years should be used.

The oiling will be done under the direction of the street committee and the committee will use its discretion as to what streets should not be oiled and the amount of oil to be placed on the streets. The plans will be exactly like those of other years and will probably be ready for adoption at the next meeting. After the adoption a date will be set for hearing remonstrances. The council is starting early so as to have the work completed as soon as possible.

Another improvement, permanent in nature, will likely be put through during the coming summer. This is the paving of Third street. On motion of Councilman Mauzy the city engineer was ordered to draw up plans and specifications for the paving of Third street from the east side of Julian street to Buena Vista avenue. The council believed Third street badly in need of this improvement and only recently an appeal

The New Spring Bonnet

What about your new spring hat?

There is no one article of dress that a woman takes as much pleasure in buying as her first spring hat.

It seems to mark an epoch.

The second or third one is very interesting, but the purchase of the first is an affair of prime importance.

Don't let your pleasure be spoiled by making a mistake and getting the wrong thing either as to style or becomingness.

Keep your eyes open and see what is what before you buy.

Look at the military advertisements in your newspaper and see what is in the shops. A great many of the advertisements are illustrated and they will help you. Pretty soon you will have formed a definite idea of what you want—and when you have reached that point go and buy your hat.

You are sure to be right if you have made up your mind with full knowledge of what the market offers.

No Eggs, Milk or Butter

The following recipe shows how an appetizing, wholesome cake can be made without expensive ingredients.

In many other recipes the number of eggs may be reduced one-half or more by using an additional quantity of ROYAL Baking Powder, about a teaspoon, in place of each egg omitted.

EGGLESS, MILKLESS, BUTTERLESS CAKE

1 cup brown sugar
1 1/4 cups water
1 cup seeded raisins
2 ounces citron
1/2 cup shortening
1/2 cup butter
1/2 cup flour
1/2 cup cinnamon
1/2 cup salt
5 teaspoons Royal Baking Powder

The old method (fruit cake) called for 2 eggs

DIRECTIONS—Put the first eight ingredients into saucepan and boil three minutes. When cool, add the flour and baking powder which have been sifted together; mix well. Bake in moderate oven in loaf pan (round tin with hole in center is best) for 35 or 40 minutes. Ice with white icing.

Booklet of recipes which economize in eggs and other expensive ingredients, mailed free. Address Royal Baking Powder Co., 135 William Street, New York.

ROYAL BAKING POWDER

Made from Cream of Tartar, derived from grapes, adds none but healthful qualities to the food.

NEGRO'S TRIAL SATURDAY

William Simmons, Who Stabbed Jessop Boy, Faces Assault Charge

William Simmons, the negro who, posing as an Indian, stabbed Charles Jessop, son of Deputy Sheriff Jessop of Connersville, will be tried in the Fayette circuit court next Saturday on a grand jury indictment charging assault and battery. Simmons was here previous to going to Connersville and attracted much attention on the streets. His true identity was not known until after he had been arrested and taken to Liberty for safe keeping. The Jessop boy, who was attacked without cause, has recovered. Simmons asked a change of venue but ten Fayette county citizens made affidavit expressing the opinion that Simmons could receive a fair trial at Connersville.

MORE RUMORS OF REVOLT

Story of Revolution Also Circulated In Amsterdam

(By United Press.) Amsterdam, March 21.—Rumors of a German revolution were circulated on the stock exchange today, but so far as was evident from undisturbed telephone communication, and the regular operations of the railroads and the arrival of German papers there was no basis for the report.

FORTY-SIX ENTER PLEAS OF NOT GUILTY TODAY

Continued from Page 1. political workers indicted on the charge of sealing votes, were expected to enter a plea of guilty and be sentenced immediately.

Indications were that inside stories of election frauds in Indiana at the election last November 7 would be disclosed when the 160 men indicted for election conspiracy by the federal grand jury, were arraigned before Judge Albert Anderson in federal court.

Those arraigned today came from four cities in the state—Indianapolis, Evansville, Gary and Frankfort. The largest number—about 120—were from Evansville. They came to Indianapolis following an ineffectual attempt made by attorneys to have the arraignment held in Evansville to save the government the expense of bringing the men to this city.

Among the more prominent men arraigned were:

Police Chief Samuel Perrott, Indianapolis.

Mayor R. O. Johnson, Chief of Police William Forbes of Gary; Lake county Sealer Howard Hay and Gary City sealer C. M. Renolett.

E. B. Oslage, controller; Miles S. Sanders, assistant city engineer, of Evansville. Democratic Vanderburgh County chairman Edward Jechim and Republican Chairman Charles Sihler.

Former Mayor Edmunds, Frankfort.

Beside these there are about 125 minor political workers and voters.

ALUMNI PLAY

The Arlington Alumni association will present a comic play, "The Deacon Entangled" at New Salem on Saturday evening, March 31. The play will begin at 8 o'clock. The lines are said to be full of humor and many amusing situations arise.

INHERITANCE TAX BEGINS AT DEATH

Judge Sparks Makes Decision in Claim of County Treasurer Against Folger Estate

NO RULING LIKE IT IN STATE

Under a decision of Judge Sparks the inheritance tax on an estate begins to accrue at the time of death and not after the estate has been appraised for inheritance tax purposes. The decision was given in the claim of John O. Williams, treasurer of Rush county against the estate of Pheobe Folger, seeking to collect the tax and interest from the date of her death. Judge Sparks held that this was the intent of the law and awarded the county judgment for \$437.68 inheritance tax and \$79.87 interest.

The court pointed out in his decision that the tax is paid upon inheritances and not upon an estate and that as soon as a person died the inheritance was left thus making the tax accrue from date of death.

The question has never been decided in the Indiana supreme court but the court cited several decisions from the higher courts of other states to uphold this contention.

Collars a Feature on The New Spring Coats

Garments that can be worn open as well as buttoned closely to the neck are emphasized in our stocks.

The plaid collar of the coat here illustrated is one of the season's best. Worn high about the neck, it is serviceable for cold days, and worn open it is a splendid summer wrap.

Styles are on straight lines, especially in the more staple garments that appeal to American Women. Belts and

double belts, odd-shape pockets, a few rows of stitching, a few well-placed buttons—all of these touches contribute to Spring's New Styles.

HAVE COLOR IN YOUR CHEEKS

Be Better Looking—Take
Olive Tablets

If your skin is yellow-complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists. Take one or two nightly and note the pleasing results.

Local News

Donald Meyer has resigned his position at the Charles E. Francis Co., factory and accepted one at Johnson's drug store.

Vernal Casady will attend summer school at Indiana university this summer and receive his A. B. degree from the university in the fall.

Louis Doughty was fined one dollar and costs in police court this morning on a charge of public intoxication. Doughty was arrested shortly after he had alighted from a traction car from Connersville.

The Modern Woodmen will initiate several candidates Thursday night. The head clerk of the lodge has reported that he issued 11,297 new benefit certificates during the month of February, breaking all previous records.

Amusements

The Princess will show the dramatic feature "The Flower of No Man's Land" for the program tonight. Viola Dana is featured and it is said to tell a thrilling story. There is plenty of action and interest. Tomorrow the next chapter of "Patria" will be shown.

The Lyric offers the fifth episode of "Pearl of the Army" for the first picture tonight. This is the serial in which Pearl White is featured. This episode is entitled "The Foreign Alliance." The second picture is a comedy entitled "Unfriendly Fruit." The last is a two act drama "Whiffles at the Front."

The Gem theatre offers tonight Ben Turpin and Rube Miller in a comedy, "Poultry A'la Mode;" also Vivian Rich will be featured in "Realization," and another good reel entitled, "Adjusting His Chain." Tomorrow another episode of the Helen Holmes series, "A Lass of the Lumberlands" will be shown.

Raymond Hitchcock, long a favorite with theater goers of Indiana-

Bad Stomach Trouble
Yields to Delicious Vinol

Shreveport, La.—"I had a bad stomach trouble for years and became so weak I could hardly walk or do any work. My appetite was poor, my food would not digest, I bloated and was very weak and nervous. To Prevent Old Age Coming Too Soon!

"Toxic poisons in the blood are thrown out by the kidneys. The kidneys act as filters for such products. If we wish to prevent old age coming too soon and increase our chances for a long life, we should drink plenty of pure water and take a little Anuric," says the world-famed Dr. Pierce of Buffalo, N.Y.

When suffering from backache, frequent or scanty urine, rheumatic pains here or there, or that constant tired, worn-out feeling, the simple way to overcome these disorders is merely to obtain a little Anuric (double strength) from your nearest druggist and you will quickly notice the grand results. You will find it more times more potent than lithia, and that it dissolves uric acid almost as hot water does sugar.

ADVICE TO WOMEN.

New Albany, Ind.—"I had been suffering from woman's trouble for several years. Had used several patent medicines which seemed to do me no good. At times I would lose consciousness and fall over on the floor I suffered so. I tried several doctors but they did not do me any good—they would only relieve me for the time being. My husband's mother told me about Dr. Pierce's Favorite Prescription. I took several bottles of it and am glad to say that I am now sound and well. I certainly think it is a great medicine and recommend it to anyone suffering as I did, for I am sure it will cure them."—MRS. CHARLES E. WELCH, 414 W. 6th St.

Get the "Prescription" from your druggist to-day—either liquid or tablets—or send Dr. V. M. Pierce, Buffalo, N.Y., 10 cents for trial package of the tablets.

**"Not a crack nor pinhole in it!"**

Go to your windows now and examine the shades.

See if they are speckled with those tiny holes and little ragged cracks that do so much to mar the looks of your windows. In

The Unfilled Grade of Brenlin Window Shades

You will find this great fault of the ordinary shade overcome. It is made of a closely woven cloth without that filling of cloth which in the ordinary shade so soon cracks and falls out in unsightly streaks and patches. See how this cloth is water spot free. Made in many rich, lustreless tones and in Brenlin Duplex. Come see it.

Our People Pay.

The treasury department gleefully announces that the income tax may reach \$300,000,000 this fiscal year, which is some \$55,000,000 more than estimated by Secretary McAdoo in his annual report. On the other hand, the income from the customs duties will not exceed, if it reaches, \$200,000,000, or \$30,000,000 less than estimated by the tight-wire bookkeeper in charge of the nation's finances.

Under republican rule 45 per cent of the expenses of running the government was raised at our ports from importers of competing products. This meant a fat revenue and protection to American industries. Any sartorial hyphenate who preferred European clothes to the American kind, could wear them, but before they got in Uncle Sam got a little boost in the shape of a protective tariff. Under this aimless regime customs duties provide but 20 per cent of the normal government expenditures and a man can import a train of cars loaded with foreign goods without paying enough duty thereon to meet the expenses of a McAdooian junctet. It is our own people who pay.

Get the Spies.

Newspaper reports sent broadcast over the country from Washington tell us that there are a hundred thousand spies of foreign governments in the United States, and that these people are daily collecting information of our defensive measures and forwarding that information to their home governments. If there are that number of spies in this country our own government officials must be aware of the identity of at least a portion of them. And if their identities are known why is it that they are still at large and pursuing their despicable calling to the detriment of the United States?

Why are they not behind the bars, where they should be, and where they would be if it were any other country but ours? We do not need traitors or spies in this country, and the sooner they are kicked out or jailed or hung the better it will be for our own welfare. The man who can not respect and protect our flag and our country has no legitimate place in our midst, and we do not want him.

The council went "50-50" with the I. & C. last night and bought a lung-motor. The cost of the machine was \$150 and will be divided equally between the city and traction company. The lung-motor will be kept at the fire station where it can be secured by both the city and traction line. An expert from the lung-motor factory will instruct the police, members of the fire department and I. & C. employees in the use of the machine.

Several minor matters pertaining to charges to be enforced by the city treasurer in turning on and off water were threshed out. During the past winter many residents have called the city to turn off their water when water pipes were frozen. The order of the public service commission states that a charge for this accommodation should be \$1 and this will be followed to the letter. It was pointed out that the people call the city thinking there will be no charges when they know if a plumber is called there will be a charge. There will be no more free turning off and on of water. There is no charge for turning on new taps.

The expense of the primary election was included in the bill allowed by the council.

An ordinance was passed under suspension of rules compelling the Big Four railway to maintain a flagman at the First street crossing. Several near accidents at this crossing caused the council to pass the ordinance.

Stop "dosing" Rheumatism.

It's pain only; not one case in fifty requires internal treatment. Rub sothing, penetrating "St. Jacobs Oil" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain. "St. Jacob's Oil" is a harmless rheumatism cure which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache, etc.

Liber up! Get a 25 cent bottle of old-time, honest "St. Jacobs Oil" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

RUB RHEUMATISM FROM STIFF, ACHING JOINTS

Rub Soreness from joints and muscles with a small trial bottle of old St. Jacobs Oil

If you are contemplating a Public Sale, call The Daily Republican for prices on Red Head Sale Bills, the kind that you see mostly around the county.

Pertinent to Farmers.

Every hour seems to draw this country nearer to war. No man can assure us that we will escape, for no man knows.

The year 1917 may see us shut off from all source of supplies from the outer world, and dependent entirely upon local production.

Facing such a possibility, it is incumbent upon every farmer to cultivate to the limit of his acreage and ability, and the town person who has a vacant lot should do the same.

The time to begin is now. If we place armies in the field those armies must be fed—and the products come from the farms.

Has Secretary Redfield overlooked Paraguay in his wonderful propaganda for export trade? Great Britain monopolized 30 per cent of the import trade of that country during 1916, the United States but 5.2 per cent. Our exports to Paraguay during 1916 declined 60 per cent, compared with 1913, a Republican tariff year, but there was an increase in our imports from that country. Is Paraguay beneath Mr. Redfield's notice?

"Eggs shaved two cents," says an exchange. Gosh! We always thought those storage companies kept them until they grew beards, and now we have the proof.

We note, however, that our brethren of the press are consistently mum on the subject of civilization. So are we, for we never lament over a dead dog.

Senor General Don Victoriano Carranza has been duly and pompously elected president of Mexico, but darned if we know which one of 'em he claims.

Uncle Sam is jogging right along toward war, and any day now we may expect to see him break into a gallop.

PLANS TO PAVE 3rd STREET AND OIL UNIMPROVED STREETS

Continued from Page 1. was made to the council to place the street in condition between Morgan and Harrison streets.

By paving the street westward to Buena Vista avenue the brick would connect with the paved street at this point. Third street also connects with the brick pavement in Main and Perkins street. The street will not likely be paved without a fight. The paving effects the Indianapolis and Cincinnati Traction company and the traction company is expected by the council to oppose the paving. A legal battle may result, but the council is determined to put the improvement through, holding that a permanent improvement of this nature is in keeping with the progress of the city.

The council went "50-50" with the I. & C. last night and bought a lung-motor. The cost of the machine was \$150 and will be divided equally between the city and traction company. The lung-motor will be kept at the fire station where it can be secured by both the city and traction line. An expert from the lung-motor factory will instruct the police, members of the fire department and I. & C. employees in the use of the machine.

Several minor matters pertaining to charges to be enforced by the city treasurer in turning on and off water were threshed out. During the past winter many residents have called the city to turn off their water when water pipes were frozen. The order of the public service commission states that a charge for this accommodation should be \$1 and this will be followed to the letter. It was pointed out that the people call the city thinking there will be no charges when they know if a plumber is called there will be a charge. SEES A WARNING TO SPAIN IN PLOTS

Discovery of Those in America Caused by Germans Pointed Out by Press

WORK WITH SUBMARINES

It is Charged That Agents There Tip Off Boats and Details to Captains.

BY WILBUR S. FORREST. (U. P. Staff Correspondent)

Paris, March 1 (By Mail)—"A vast army of German agents engaged in surveillance of Spanish ports and shipping" is condemned by the Spanish press and demands made on the government to take steps to get the spies out of the country in papers arriving here today. German bomb plots and intrigue in America are pointed to as examples of what the Spanish government is confronted with.

Since Spain's refusal to openly break with Germany as a protest against the submarine blockade, the Spanish press, except the Germanophile organs is open in its criticism.

The objecting papers carry lengthy and detailed revelations of the methods of German agents working in conjunction with the submarines. El Liberal, the great newspaper of Madrid, leads in openly declaring that no ship now leaves a Spanish port before its description cargo, sea route, speed, armament against submarines, makeup of its crew and its destination is known to the submarines lying in wait off the Spanish coast.

This information is transmitted to the submarines by signals or by wireless and it is so accurate that a German agent can say to a ship captain "your vessel will be sunk at such and such a time." And these predictions are nearly always confirmed by facts. Other vessels, which pass the tests of the agents are spared, the paper says, and continues:

The German organization is very vast and admirably disposed to take advantage of all the elements at its disposition. Of the 60,000 to 80,000 Germans now in Spain, the most part are the officers of the German army, marines, inventors, industrial workers, commercial agents and technicians of all sorts who have sought employment on all parts of the Spanish coast. In some instances they work for the lowest wages.

"This German army is directed by the consuls and heads of big German enterprises, commercial and industrial, organized before the war.

"They have created friendships everywhere, especially among the provincial authorities, the military, the military chiefs, the commandants of marines, the officers of the civil guard, the carabineros, the chiefs of public service among which are the posts and telegraph and the civil police.

"This has given birth to a system of espionage, sagely and methodically organized, which acquaints the Germans with most mathematical and precise information for their submarine campaign."

Administrator's Sale of Personal Property.

Notice is hereby given that the undersigned administrator of the estate of Edward Spencer, deceased, will sell at the late residence of said decedent, two and one-half miles southwest of Arlington, Indiana, and three miles northwest of Manilla, Indiana, on

TUESDAY, APRIL 17th, 1917,

beginning at 10:00 o'clock a. m. the personal property of said decedent, consisting of the following:

MAKING IT PLAIN.

The Pure Food and Drug Laws aim to protect the public by preventing mis-statements on the labels of preparations but some people continue to accept "extracts" of cod livers thinking they will get the benefits of an emulsion of cod liver oil.

The difference is very great. An "emulsion" contains real cod liver oil, which has had the hearty endorsement of the medical profession for many years, while an "extract" is a product which contains no oil and is highly alcoholic.

Scott's Emulsion guarantees the highest grade of real Norwegian cod liver oil, skillfully blended with glycerine and hypophosphites. Scott's is free from the false stimulation of alcohol and is endorsed by good physicians everywhere.

Scott & Bowe, Bloomfield, N. J.

16-18

IS NAMED COMMISSIONER

L. H. Mull Appointed to Sell Land Involved in Gahimer-Keppe Suit

Leonidas H. Mull was appointed commissioner to make the sale of land involved in the partition suit of Jacob Gahimer et al., against Florence Keppe and others today, and gave bond in the sum of \$80,000. The partition was ordered some time ago by the court.

The case of Loyd Wagoner, guardian of Ollie Thompson against Eddie G. Thompson for partition and accounting was dismissed at the cost of the plaintiff.

2 ESCAPED CONVICTS KILLED

Birmingham, Ala., March 21. David D. Overton, the former county court clerk, under death sentence for the murder of Judge W. T. Lawler, was shot to death in a Birmingham suburb last night by a sheriff's posse sent out to capture him and six other prisoners who had escaped from the county jail early Monday. In a battle between the posse and the prisoners Tony Malino, another convicted murderer, also was killed and J. L. Lathem, held on a forgery charge, was seriously wounded. The other convicts escaped.

RUSHVILLE AN EXAMPLE

(Columbus Republican) Up to Saturday afternoon, Rushville had raised \$1,714 to be sent to Newcastle. The mark set at Rushville is \$2,000. Shelbyville had raised more than \$1,400 up to Saturday night. These amounts make \$500 from Columbus look rather puny.

CREAM FOR CATARRH OPENS UP NOSTRILS

Tells How To Get Quick Relief from Head-Colds. It's Splendid!

In one minute your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more hawking, snuffling, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh will be gone.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed-up with a cold or nasty catarrh—Relief comes so quickly.

Notice of Election.

A meeting of the stockholders of the Rushville Co-operative telephone company, will be held in the assembly room of the court house in the city of Rushville, Indiana, at 7:30 p. m. Friday, April 13th, 1917, for the purpose of electing a board of directors and the transaction of such other business as may come before the meeting.

M. V. SPIVEY, Secretary
Dated Mar. 21, 1917 Rushville, Ind.
7120.

MOTHERS, DO THIS

When the Children Cough, Rub Musterole on Throats and Chests

No telling how soon the symptoms may develop into croup, or worse. And then's when you're glad you have a jar of Musterole at hand to give prompt, sure relief. It does not blister.

As first aid and a certain remedy, Musterole is excellent. Thousands of mothers know it. You should keep a jar in the house, ready for instant use.

It is the remedy for adults, too. Relieves sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of back or joints, sprains, sore muscles, chilblains, frosty feet and colds of the chest (it often prevents pneumonia).

CHIROPRACTIC

The ONLY science ever discovered for eradication of disease by going directly to the cause.

If your case is chronic and have tried everything else without satisfactory results, why not investigate?

CHIROPRACTIC
the science of common sense applied to the human machine—not medicine, not surgery, not osteopathy.

Mrs. Revilo Ferguson will entertain the members of the Friday Afternoon Embroidery Club at her home in North Harrison street on Friday afternoon of this week.
* * *

The Knights Templar banquet to which all the Knights are invited is to begin this evening at 6:30 o'clock. Following the service of the banquet, the Temple degree will be conferred.
* * *

The Woman's Missionary society of the United Presbyterian church was entertained this afternoon at the home of Mrs. S. H. Trabue in West Seventh street, beginning at 2:15 o'clock.
* * *

A pleasant meeting of the Monday Afternoon Bridge Club was held with Mrs. J. C. Sexton at her home in North Main street Monday afternoon. Aside from the club members who spent the interesting period together, Miss Clara Haydon and Miss Bess Cleveland of Lexington, Ky., were entertained. The hostess served light refreshments. Mrs. O. M. Dale will entertain at the next meeting of the club.
* * *

Officers were elected at the meeting of the B. N. Club held at the home of Miss Nellie Brown last evening. Miss Eleanor Doll was made president; Miss Kathleen Coyne, vice-president; Miss Effie Young, treasurer; and Miss Sylvia Lakin, secretary. The club colors of pink and white were used effectively in decorating the home with the same shades in evidence in the dainty luncheon which was served. The evening, following the short business meeting, was spent in a pleasant social way when the guests played several musical numbers. Members of the club present at the meeting were the Misses Kathleen Coyne, Eleanor Doll, Maymie Kuntz, Effie Young, Ethel Oakley, Sylvia Lakin, and Anna Gessler. Miss Gessler will have the next meeting of the club.

Social Calendar

Thursday

Social Dozen, with Mrs. Merrill Ball at 1033 North Morgan street, in the afternoon.

Yomo Club, with Mrs. Amos Baxter at 628 West Seventh street, in the afternoon.

Emanon Club, with Mrs. Harvey Allen at 305 East Seventh street, in the afternoon.

Grand Club, with Mrs. Frank Wilson at 612 North Main street, in the afternoon.

Mr. and Mrs. Emory Schmidt entertained at dinner last evening honoring their guest, Miss Dorothy Ross of Buffalo, N. Y. At six o'clock, an elegant three course dinner was served and a pleasant social evening followed for Mr. and Mrs. Mart Spivey, Miss Ruth Spivey, Miss Ross, Errol J. Stoops and Noley G. Newkirk.
* * *

The twelve members of the Five Hundred Club spent a delightful evening last evening as the guests of Mrs. Lula Weeks at her home in North Willow street. The conclusion of the games of Five Hundred was marked by the service of a delicious luncheon. Miss Minnie Vaught will entertain the club members in two weeks.
* * *

Fourteen members of the O. N. T. Club spent a delightful afternoon together yesterday when they were entertained by Mrs. William Gordon at her home in North Morgan street. Some of the guests sewed while they chatted socially. The hostess served a delicious luncheon. Mrs. Fannie O. Smith is to entertain the club in two weeks.
* * *

Miss Clorenne Amos will be among the guests at the elaborate luncheon to be given in the Claypool hotel in Indianapolis tomorrow honoring Dr. and Mrs. Edgar Stillman Kelly. The luncheon is to be given by the Matinee Musicale. Miss Amos also attended the meeting of the Musicale there this afternoon, being the guest of Mrs. Edenharder today and Mrs. Owen Morrell tomorrow.
* * *

A lovely party was given by Mrs. Theodore Reed at her home in North Main street yesterday afternoon. Six tables of guests played Bridge and several others were also entertained, during the course of the delightful affair. Miss Bess Cleveland and Miss Clara Haydon of Lexington, Ky., were among the guests of Mrs. Reed. A delicious one course luncheon, in which the appointments were daintily carried out, was served following the card games.

Ten members of the Immaculate Sodality met at the home of Miss Sylvia Mullins last evening and spent the evening in sewing articles for the bazaar. The first and second divisions were entertained by Miss Mullins. They will be entertained next week by Miss Helen Osborne. The members of the third division of the Sodality were entertained at the home of Miss Mary Moorman.
* * *

When Mr. and Mrs. Ferd Rutherford entertained the members of the Evening Card Club and several extra guests at their home in North Main street last evening, a very pleasant evening was enjoyed. The majority of the time was given over to the interesting rounds of Five Hundred, into which the guests entered with congeniality. A dainty salad luncheon was served late in the evening. Guests, aside from the club members, were Mr. and Mrs. Will Amos, Mr. and Mrs. Bert Davidson, and Miss Mary Amos. The next meeting will be with Mr. and Mrs. B. O. Simpson.

Vivid Shades Used In New Spring Coats

Vivid shades, which look particularly "springy," characterize the new spring coats, which are quite different from those a year ago. All shades of gold, tan and putty as well as big plaids are used in the pretty fabrics and because of these bright colors, they appear quite dressy, although in reality they are strictly for street wear. The huge pockets which reach the bottom of this coat add a distinct touch of style, to the long loose folds.

Varied Activities of Women

Bridgeport, Conn., munition factories employ over 4,000 women.

The tobacco factories of the United States employ over 100,000 women.

Mrs. Helen K. Holmes is the only woman stock broker in Wall street, New York.

The Empress of Russia is said to be the finest royal singer in the world.

Women school teachers in Hamilton, Ont., are to be paid a bonus of 5 per cent.

Miss Hallie M. Daggett is the only woman fire lookout in the United States forestry service.

Ida Tarbell declined to accept the \$7,500 a year position as a member of the federal tariff commission.

Miss Nellie A. Brown, connected with the United States department of agriculture, is an expert in plant pathology.

Miss Anna L. Reese of Chicago is one of the few women in the United States who is at the head of a large grain company.

The highest salaried woman in the agricultural pursuits.

Announcing Our New Lorophone

A High Class Musical Instrument
At a Reasonable Price

You, of course, will want to get the best phonograph for the amount you decide to spend. The LOROPHONE, with its rich, pure tone and splendid qualities will appeal to you strongly.

This instrument is constructed along new and exclusive lines. It is perfect in mechanical detail, unequalled in purity of tone, and beautiful in design and finish.

The LOROPHONE has TONE QUALITY—it exactly reproduces the human voice. The reproducer has exclusive features which soften the tone and eliminate, to a large degree, the scratching of the needle on the records.

It reproduces from all styles of records with equal perfection. The vertical cut records such as Edison, Pathé, Etc., can be used as well as the lateral cut, such as Victor, Columbia, Guardsman, etc.

We are showing this machine in several finishes, solid mahogany, golden oak and fumed oak. The record filing cabinet is of ample capacity.

The style is shown in the above cut, equipped with universal tone arm.

The model shown in cut is a wonderful instrument at the reasonable price of \$55.00. The LOROPHONE compares very favorably with higher priced instruments.

A DEMONSTRATION WILL CONVINCE YOU THAT YOUR HOME IS NOT COMPLETE WITHOUT A LOROPHONE

THE MAUZY CO.

Mrs. Guy Abercrombie, as chairman of the sixth district federation of clubs, attended a meeting at the Claypool hotel in Indianapolis today of the officers of the state federation and the district chairmen.
* * *

The program for the sixth district convention of Franchise Leagues to be held here on Saturday is very interesting. The event of the day is to be the luncheon to be held at the Windsor hotel at 1 o'clock to which all of the women of the city and county who are interested in the cause are invited. Plates to the luncheon are fifty cents and those who can attend are asked to notify Mrs. A. L. Gary or Miss Mary Sleight on or before Thursday of this week.

Esther Griffen White of Richmond, chairman of the district, will have charge of the meeting following the luncheon during which a talk is to be made by William D. Folke of Richmond, who is well known throughout the state as a writer and poet. In case Mr. Folke can not come, the address will be made by Prof. Harlow Lindley, also an interesting talker. Four musicians from Richmond are to furnish music during the program. During the morning session to be held at the court house assembly room, the county chairmen of the Leagues will meet.

More necessary to humans than to live stock is roughage. And roughage for the human is the coarser foodstuffs, such as celery (especially the outer layers,) all raw vegetables (especially cabbage), and strong beans, asparagus, lettuce, spinach, onions, figs, prunes and other fruits with their skins and seeds (especially apples,) and cereals from which the bran has not been removed (such as rolled or cut oats or wheat), and bran in any of its various forms—the form of bread, muffins, or crackers being the pleasantest of course.

These rough foods make bulk and stimulates the contractions of the muscular fibers of the intestines that push the contents on their onward course.

You may apply locally all the wonder creams and lotions from Dan to Beersheba with no more hope of accomplishing a permanently beautiful complexion than a water lily might have of attaining its full beauty in the Sahara desert.

Your clean, clear complexion must come from within the body. And it must come from within a clean, healthy working body. And a clean, healthy working body is acquired and maintained only by the daily elimination of waste.

The reason why all wastes are not properly eliminated is because the right food is not eaten. Too much concentrated foods and not enough natural foods answers the riddle of the why of so many bad complexions. Such concentrated foods as sugars, fruit juices, starches, fats, and fluids leave little or no residue

ROUGHAGE NEEDED BY PEOPLE JUST THE SAME AS LIVE STOCK

No, it isn't a new brand of cold cream! Nor a freckle remover, nor a wrinkle eradicator! Neither is it a face bleach nor an astringent!

Roughage is food—coarse food, natural food. It is food that leaves residue in the intestinal tube after digestion has done its part. Unless the intestines are kept in a filled up condition by eating roughage, thorough elimination of all wastes cannot go on. Every farmer understands the principle of roughage. He knows the health of his live stock requires that they be fed roughage in winter time. Straw is roughage for live stock.

More necessary to humans than to live stock is roughage. And roughage for the human is the coarser foodstuffs, such as celery (especially the outer layers,) all raw vegetables (especially cabbage), and strong beans, asparagus, lettuce, spinach, onions, figs, prunes and other fruits with their skins and seeds (especially apples,) and cereals from which the bran has not been removed (such as rolled or cut oats or wheat), and bran in any of its various forms—the form of bread, muffins, or crackers being the pleasantest of course.

These rough foods make bulk and stimulates the contractions of the muscular fibers of the intestines that push the contents on their onward course.

You may apply locally all the wonder creams and lotions from Dan to Beersheba with no more hope of accomplishing a permanently beautiful complexion than a water lily might have of attaining its full beauty in the Sahara desert.

Your clean, clear complexion must come from within the body. And it must come from within a clean, healthy working body. And a clean, healthy working body is acquired and maintained only by the daily elimination of waste.

The reason why all wastes are not properly eliminated is because the right food is not eaten. Too much concentrated foods and not enough natural foods answers the riddle of the why of so many bad complexions. Such concentrated foods as sugars, fruit juices, starches, fats, and fluids leave little or no residue

and they provide no stimulation of the intestines.

You can kill two birds with the one stone—that lazy spring feeling and that muggy, muddy sometimes broken out complexion—if that stone be roughage. Eat more food that contains an indigestible residue and eat enough of it to do the work. Waste matter in the tissues clogs the skin, disturbs the work of the kidneys, and affects nutrition. It depresses the vital force which in the early months is called "spring fever."

Cathartics and the old fashioned molasses and sulphur and such spring remedies afford only temporary relief and are not to be encouraged when natural foods are so accessible and of permanent value. The old idea that apple and grape seeds cause appendicitis is nonsense, as proved by physicians time and time again.

Following are a couple of anti-constipation menus, which may be exactly what you need for a spring tonic:

Breakfast.

Oranges.
Cut oats, cream.
Toast and honey.

Bacon.

Lentil stew.

Whole wheat bread.

Baked apple (skin eaten).

Dinner.

Vegetable soup.

Roast beef.

Spinach (large serving).

Baked potatoes (skin eaten).

Cabbage salad.

Graham bread.

Steamed fig pudding, lemon sauce.

II.

Breakfast.

Stewed prunes.

Cereal, cream.

Tomato omelet.

Graham toast.

Luncheon.

Pork and beans.

Boston brown bread.

Sliced pineapple.

Oatmeal macaroons.

Dinner.

Boiled mutton, caper sauce.

Stewed onions.

Lettuce salad, French dressing.

Bran wafers.

Lemon jelly, whipped cream.

Mr. and Mrs. J. Q. Thomas and Mr. and Mrs. William Lewark motored to Newcastle yesterday and spent the day.

James Winship and daughter, Mrs. Hubert Thomas, of Milroy attended the funeral of Robert Anderson yesterday afternoon.

LOCAL TEACHERS TO ATTEND MEET

Several From Here Will be Present
at Annual Gathering of Sixth
District Association.

OPENS AT NEWCASTLE FRIDAY

Program Continues Throughout Sat-
urday With Sectional Meet-
ings in the Morning.

Several teachers from the grade schools and high school here will go to Newcastle Friday evening for the annual meeting of the Sixth District Teachers' association. The meeting opens Friday night and will continue throughout Saturday. Prof. J. H. Scholl, superintendent of schools and Prof. S. F. Stewart of the high school have made arrangements to attend the meeting and several other teachers will likely attend.

The first meeting of the association was held in this city in 1915 and last year's meeting was held in Connersville. The meeting is open to all teachers in the sixth district and the attendance promises to be large.

All the regular sessions of the meeting will be held in the Christian church. The sectional high school session will be held at the Newcastle high school building. The program, while not considered as strong locally as some the association has arranged, will be interesting and should be a benefit to the teachers. The program follows:

Friday p. m.

Music—High school orchestra (a) March, "The Bugle Boy," Engle-
mann; (b) Overture, "Diana," Asher.

Music—High school chorus, (a) "Soldiers' Chorus from Faust," Gounod; (b) "A Song of Loyalty, Indiana," Kampe.

Address of Welcome—Supt. E. W. Lawrence, Newcastle.

Some Problems of Our Profession—Pres. Robert L. Kelly, Earlham College.

Saturday a. m.

Supt. E. W. Lawrence, presiding.
Music, High school orchestra, (a) March, "Under the Banner of Vic-
tory," Rosey, (b) Selections from Grand Opera, Asher.

Music—High School Girls' Chorus, (a) Welcome Pretty Primrose, Ciropinuti; (b) The Hunter's Song, Invocation.

Announcements.
General business meeting.

SECTIONAL MEETINGS.

High School Section.

George C. Bronson, presiding.
Features of Modern High School Management—M. S. Hallman, Connersville.

Primary, Intermediate Grammar.
Round Table—Subject Reading, Reports from Schools and General Discussion.

Leader of discussion, Supt. J. T. Giles, Richmond.

Summary of Discussion, Dean H. L. Smith, Indiana University.

Saturday p. m.

Supt. E. W. Lawrence, presiding.
Music, Intermediate Orchestra, Our Boys' Brigade, Wenrich.

Department School Chorus—The Heavens Resound—Beethoven.

Orchestra—March; The Boys and Girls of Newcastle, Asher.

Report of committees.

Address—Dean H. L. Smith, Indiana University.

GERMAN RETREAT SLACKENS

Possible That They Are Reaching
Line of New Defenses.

(By United Press.) London, March 21.—The German retreat on the west front has slowed up. Dispatches from British headquarters stated that this might be attributed to stormy weather. It was also possible that the Germans were reaching the line of new defenses.

The Paris official statement also indicated a similar slowing up of the German retreat and likewise remarked on the bad weather.

Warsaw—James Robinson fasted 31 days because he didn't have an appetite for food. Robinson, who is an inmate of the county infirmary, went fifty-two days without a bite to eat several years ago.

“PATHEPHONE”

Manufactured by Pathe Brothers

Having at different times, had the opportunity to secure the agency for each of the different talking machines, we were not exactly pleased with either the contract or the instrument, but when the chance came to get the PATHEPHONE, we did not hesitate, as we believe it is the BEST that is on the market today

PATHE PATHEPHONE FEATURES Reasons Why You Should Own This Perfect Instrument.

- It has the sweetest tone.
- It has by far the most artistic effect of any musical instrument.
- It gives the most natural sound reproduction.
- It plays all makes of disc records perfectly.
- It uses a genuine, round, highly polished permanent Sapphire Ball when playing Pathe Discs. This Pathe Sapphire never wears out and does not injure the surface of the record.
- It is made with an all-wood Sound Chamber, amplifying the music in the fullest manner.
- It has by far the most superior record repertory in the world, comprising selections recorded in every musical center.
- Its Pathe Discs are all double-faced—including all operatic selections.
- It has a perfect Tone-Control device for expression and volume.

In Playing Pathe Discs There Are No Needles To Change—No Metal Points To Dig Into And Ruin The Surface Of The Records.

If you are from Missouri, we will show you some things that cannot be done with any other machine made. We do not want you to purchase until you are convinced, but call, as it will be the talk of the town.

STARTS MOVEMENT TO MERGE PAPERS

Effort Being Made to Combine Lon-
don Dailies and Send Staffs to
the Front.

TRYING IT ON DOG FIRST

Two Papers in One Town Ordered to
Merge Into One—Tribunal
in Charge.

(By United Press.) London, March 2. (By Mail)—A shadow fell across the placid path of English journalism today. There is a movement afoot to induce all London newspapers to pool their properties and issue a single sheet, thus releasing the staffs of all but one on active duty at the front. They're trying it on the dog first. When the staffs of the two local papers in the little village of Peterborough appeared before the military tribunal for their regular semi-annual exemption they were informed that the Mayor had decided the two papers should merge into one, and that half of them could go and get measured for khaki.

The proprietors naturally sat up on their hind legs and howled.

But the ears of a tribunal are deaf and the publishers have less than a month to think it over.

Meanwhile, the movement is spreading to London.

The man with money
figured. He figured
on Banking some
of his earnings
Now he has
money.

Who gets the
Money you earn?

All of the rich men you see comfortable today, fig-
ured when they were younger that they MUST HAVE
MONEY in the bank to start into any kind of business,
So they started a bank account.

You know the rest. That bank account grew into a
FORTUNE.

It can be just the same with you. There's no luck
about it.

HAVE DRAFTED A SYSTEM

**Say They Are Tired of Men Officials
Who Spend Most of Their
Time in Chicago.**

(By United Press.)

Evanston, Ill., March 21.—Weary of having mere men mayors and councilmen who spend their waking hours working in Chicago and let municipal affairs in this exclusive suburb go hang, the women of Evanston have drafted a system of Petticoat politics and plan to elect a woman-manned city administration this spring.

The women here have the franchise and the men rather expect them to put their plan into effect. Already they have one woman elected to the school directorship and another a justice of the peace, the first in Illinois.

The plan is to have the women win all the elective offices, then appoint women to all the appointive offices, including the position of fire and police commissioner. However, the firemen and policemen themselves will continue to be men.

"We will admit that men know some things that we do not know about city affairs," said Mrs. Anna Rew Gross, wife of an attorney, today, "but we'll very soon learn them." Mrs. Gross is one of the movement's leaders.

M. F. Shank made a business trip to Rushville on Monday.

Mr. and Mrs. Harvey Arnold spent the weekend with Mrs. Pearl Hinckman and daughter Ruth.

Mr. and Mrs. E. J. Wynn and family visited Mr. and Mrs. Gilbert Austen Monday evening.

**DRESS WARM AND
KEEP FEET DRY**

Tells Rheumatism Sufferers to
Take Salts and Get Rid
of Uric Acid.

Rheumatism is no respecter of age, sex, color or rank. If not the most dangerous of human afflictions it is one of the most painful. Those subject to rheumatism should eat less meat, dress as warmly as possible, avoid undue exposure and, above all, drink lots of pure water.

Rheumatism is caused by uric acid which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which overcomes uric acid and is beneficial to your kidneys as well.

Corset Service

Our corset service first consists of showing at all times a selection of models that we know are absolutely authentic for style; that are designed to fit comfortably and healthfully; and that represent the best value at every price.

Secondly, you will find our corsetieres carefully trained to assist in your selection of the model suited for your requirements, corset sold.

Finally, there is our guarantee with every corset sold.

HAD DIFFICULTY FINDING EXPERTS

Brazilian Department of Agriculture Discovers People Here Fear Revolutions.

FINALLY GETS NINE MEN

Impression Seems to Prevail That Country is at War With Itself All Time.

Rio de Janeiro, March 1.—(By Mail)—Nine agricultural experts recently employed in the United States by the Brazilian Department of Agriculture, have just arrived in Brazil.

According to the story told by Snr. Oliveria Castro, the Brazilian government's agent sent to employ the experts he had extreme difficulty in finding men willing to go to Brazil because of the prevailing idea in the United States that revolutions were matters of daily occurrence.

After a great deal of effort and repeated assurances that revolutions took place only the story books and not in actual Brazilian life, he induced Professors O. T. Clawson, H. C. Sardinell, W. C. Johnstone, J. E. Blohm, E. Pitman, R. H. Cook, Maurice Blohm, Dr. K. E. Quantz and Dr. B. T. Harve to leave with him on the steamer "Minas Geraes,"

When the "Minas Geraes" arrived in Pernambuco, the first Brazilian port, and as she hauled up to the docks there was the sound of rifle firing from within the city. There was great curiosity on board the ship, particularly among the Americans, as to what the disturbance meant. A venturesome ship's officer brought back the news that a revolution was in progress. It turned out later that it was a mere celebration over a minor election and nobody was hurt.

But, as Snr. Castro expressed it, "The Americans clapped their hands to their heads."

They arrived safely in Rio de Janeiro and are busy showing the Agricultural Department new stunts in fruit, grain, tobacco and other kinds of culture.

HOOSIER BRIEFS.

Indianapolis—An American flag is suspended in every school room and the oath of allegiance written on a blackboard in each room, by order of the board of education. The pupils are forced to memorize the oath of allegiance.

Gary—The Hebrew Educational alliance of this city raised \$3,000 as a start on a fund to erect a new building.

Crawfordsville—Lack of harmony in the faculty of the Wingate high school resulted in the resignations of Supt. Merle Coons and three teachers of the school.

Terre Haute—The new Graselli Chemical plant, built at a cost of \$2,000,000 will be opened within the next few weeks.

FARMERS MAY GIVE BOND.

Richmond, Ind., March 21.—Business men of Centerville and farmers of Center township will meet tonight to discuss donating land for the site for a \$40,000 vocational high school to be located in Western Wayne county. Two-thirds of the cost of maintenance of the school would be paid by the state and the remainder by the county.

HURTY OFFERS OPINION.

Indianapolis, Ind., March 21.—That the child welfare movement is the most progressive movement started in this country in decades, is the belief of Dr. J. N. Hurty, secretary of the Indiana board of health.

"Regeneration and reformation of the human race depend entirely on child welfare," Dr. Hurty stated. Environment, heritage and training are the basis of child welfare, he declared.

ONLY TWO MEN MISSED

Washington, March 21.—Only two men are missing from the interned German ships at Philadelphia, according to messages to the navy department. They are believed to have been drowned. The other men caught in the water, were nearly frozen to death.

Just Like New

That's the way your Furs, Curtains, Fancy Waists or anything else that you send us will look when we return them to you.

Our plant is equipped with the latest scientific device for a cleaning service, but still we provide expert hand service for the more delicate and fine things. We use each service where it will give the best results. With Easter only a short time off, it would be advisable to place your cleaning and pressing order with us as early as possible. Let us help you look nice on Easter.

The Twentieth Century Cleaners and Pressers

PHONE 1154 "WE KLEAN KLOSE KLEEN"

THE SUBWAY

To the Farmers!

Kansas City, Mo., March 21.—This is the first day of Spring and here is a story to fit it. Every year the same robin redbreast returns to the flower garden of Thomas G. Beaucham's home and makes his nest in the snowball bush. Robbie is easily identified because he has only one leg. Or, if he has another, he never lets it down.

He has an eye for beauty too, this robin. Every spring he brings the prettiest little girl robin of the whole bunch for his mate; and the spot he has chosen for his home is one of the most beautiful and artistic in all Kansas City. Robbie's advent is looked and hoped for by children and grownups for blocks around. He is expected almost any day.

Having tried the creamery business through the worst time of the year for cream, I have secured a written lease on the local creamery and am here to stay. I aim to make friends by dealing honestly with the public. That is the only policy that will win.

Do you think it justice to make one suffer for another person's failure? I have risked more this winter to try out the creamery than any farmer will ever risk in selling his cream to me. Some have wondered that we have been able to stay during the winter on such a small amount of cream. "There is a reason." In the first place, I am the only stockholder in the Burchard Creamery Company and I am running it on one-third the expense it cost the stock holding company.

We have worked up a good sweet cream trade and receive a good price for our buttermilk. The men having stock in the old company gave all of their time to other business. They hired men who cared more for themselves than for the success of their employer and ran the stock holding company.

For my financial responsibility, I refer you to the Peoples National Bank, where I carry my account.

Yours for success,

Harry Burchard

PITCHING STAFF LOOKS IMPROVED

Indianapolis Team Will Present New Faces to Fans and Hendricks is Confident

SEVERAL RECRUITS IN LIST

Loss of Carter and Aldredge Will be Felt and Infield Needs Bolstering

Indianapolis, Ind., March 21.—The Indianapolis club of the American Association will present quite a new front when the Association season opens here with the Toledo club on April 11. Although all the players have not sent in signed contracts, all are expected to be in the fold when the umpires announced the "Batteries for Today."

The outfield will consist of Joe Connelly, bought from the Boston Braves; Dutie Zwilling, who finished the season with the Indians and made quite a favorable impression with the bat and in the garden. Al Wickland, the fleet-footed gardener, almost sure of right field; Duke Reilly, considered one of the best out fielders in the Association, in the sunfield. Cozy Dolan, a natural outfielder, who can play almost anywhere, will fill the role of utility man.

In the infield will be Herman Bronkie, the "Flying Dutchman," third baseman and captain of the Indians. Jack Leary, who showed flashes of form last season, will hold down the first corner. Claude Derriek, the inconsistent, will guard the shortfield. It is problematical who will be on second this year, since the release of Carl Crandall. Manager Hendricks has signed a youngster named Callahan, picked up from the Wheeling club of the Central league, who may fill the bill.

Owner McGill has been dickering for one or two players of the Chicago Cubs—Alex McCarthy or Steve Yerkes. Either would easily fill the gap in evidence at second during the past two seasons.

Behind the bat, will be two mainstays, Dick Gossett and Bobby Schang, brother of Wallie Schang of the Philadelphia. Both are reliable fast, and hard workers.

The pitching staff will consist mostly of recruits. Cy Falkenberg is the mainstay. The loss of Carter and Aldredge leaves a big hole. The staff, as it now looms up, will include Pecky Rhodes, Cy Filligim, Ed Kanlebner, (late of the Phillies,) Jean Dale, Psul Musser and a few recruits that Manager Hendricks has not yet announced the names of.

♦ TODAY'S HOOISER ODDITY ♦

Hammond, Ind., March 21—At the instigation of reformers, superintendent of the Hammond Waterworks Jewett is considering cutting off the water supply of road houses in Burnham. Hammond's sleep is disturbed late at night by carousing parties passing through the city from Burnham resorts. The resort keepers, however, are not worrying. They say the only difference which cutting off the water supply will make, will be to compel the debauchers to drink their whiskey straight instead of following with a chaser.

No needles to change on the Pathophone, hear it at Fred A. Caldwell's.

TAFT GETTING IN SHAPE FOR TOUR

Former President Will Deliver Many Speeches to Arouse Patriotism of Country

THROUGH SOUTH AND WEST

Comes to Conclusion That Country Needs Compulsory Military Training Now

(By United Press)
New Haven, Conn., March 21.—Ex-President William Howard Taft is busy at his home here today outlining the speeches he will deliver on his "Paul Revere" ride through the south and West beginning next Wednesday to awaken the spirit of preparedness and patriotism in the people of those sections.

Dr. Taft will leave here the first of the week and go to Richmond, Va., for his first speech Wednesday night. He will speak in Greensboro, N. C., March 22; Atlanta, March 23; Birmingham, March 24; Nashville, March 25; Memphis, March 26 and in the evening at Little, Ark; Dallas March 27; Oklahoma City March 28 and 29. Dr. Taft will be in Chicago March 30 and back here April 1.

"With the greatest reluctance," said Dr. Taft today, "I have come to the conclusion that we need compulsory military training. We are now looking over the brink of hostilities with some of the belligerents in this war. We should not have better proof of the need of a body of trained men in this country at once."

President Decides to Meet Germany's Insults On Sea with Sweeping Action

CALLS AN EXTRA SESSION APRIL 2

War Today Seems Just Ahead When President Announces He Will Send Communication to Congress Regarding Grave Matters of National Policy Which Must Be Met Immediately. Declaration of War May Be First Act of Congress.

MARKS END OF EFFORT TO KEEP PEACE

BY ROBERT J. BENDER
(U. P. Staff Correspondent)

Washington, March 21.—President Wilson today called congress into extra session for April 2. He has decided to meet Germany's high seas affronts with sweeping action.

War today seemed just ahead. Congress will be asked to consider aggressive steps to be taken toward Germany. With a state of war admittedly existing as a result of U-boat attacks on American merchant ships, a declaration of war may be the first action taken by congress. If the president does not ask a war declaration, congress may demand one.

Active steps will be taken to put a stop to submarine attack if they get the chance.

The cabinet members generally are said to have expressed their willingness to support a program based on an early call for congress and a formal declaration that a state of war exists between Germany and the United States.

Last night the President went to the theater—a thing he frequently does when he has made a preliminary decision on a grave question and wants distraction in order to look at the problem anew with freshened mind.

After the cabinet meeting yesterday, Secretary Daniels, saying that no new naval orders had been issued, hurried to the navy department, and went into conference with members of the general board. Information for the president and tentative plans for further naval activities were discussed.

The only argument known to have been advanced in official circles against the early calling of congress was that the president himself can do almost everything possible immediately. But in spite of this argument the preponderance of official opinion seemed to be that Congress should be summoned just as soon as possible so that the full power of the government would be assembled in Washington.

A further step in the plans to protect and promote American commerce was taken after the cabinet meeting when the Federal War Risk Bureau, under the direction of Secretary McAdoo, announced a new policy of insuring American ships under which policies would be written on all vessels except those carrying actual munitions of war. Up to the present no insurance was granted on ships laden with cargoes listed by the belligerents as contraband, and this has barred almost every American product.

FIVE DIE ON VIGILANCIA

(By United Press)

Washington, March 21.—Five Americans died in the sinking of the American steamer Vigilancia. The consul at Plymouth reported the death list to the state department today. Four were members of the crew, and one a passenger.

FORTY-SIX ENTER NOT GUILTY PLEAS

Remainder of 150 Arraigned on Election Fraud Charges in Indianapolis Plead Guilty

OR ELSE FILE DEMURRERS

Judge Anderson Orders Investigation of Charge of Tampering With Accused Men

(By United Press.)

Indianapolis, Ind., March 21.—Forty-six of the 150 indicted by the federal grand jury on election fraud charges pleaded guilty when arraigned in federal court today. The others pleaded not guilty or filed demurrers. Judge Anderson immediately overruled all demurrers however and pleas of guilty were entered for all who had filed them.

Following the arraignment special attorney general Frank C. Daily told the court that many of the indicted men had previously asked to plead guilty but when arraigned pleaded not guilty. Judge Anderson ordered an investigation of the charge of tampering with the accused men.

All Gary men indicted pleaded not guilty; six of the fourteen Indianapolis men pleaded guilty; two of the eight Frankfort men pleaded guilty and 38 Evansville men pleaded guilty.

It was believed this morning before the arraignment that a majority of those indicted would plead not guilty, but a large number of minor

Continued on Page 2.

MILITIA MAY BE ORGANIZED HERE

Papers are Being Circulated for Local Company of National Guard and 25 Enlist

STATE NEEDS FIVE UNITS

With the country facing a grave international crisis and a declaration of war expected when congress convenes in extraordinary session on April 2, the time is believed right for the organization of a company of the national guard here. Papers were being circulated today and at noon twenty-five signers had been secured. It is hoped to secure a full company of 105 officers and men. There are five vacancies in the guard in Indiana and the supporters of the movement believe a company here would be a good thing for the community.

John H. Kiplinger, while in Indianapolis recently, had a talk with Adjutant General Smith and was told that the state needed these five guard units. The enlistment covers a period of three years and the age limits are between 18 and 35 years. It is planned to make the local company an infantry organization. Weldon Brann, Allen H. Blackledge, or Mr. Kiplinger will gladly furnish any information on the subject.

RELIEF FUND IS BROUGHT TO CLOSE

Total Amounts to \$2190.00, the Sum of \$120.75 Having Been Contributed Today

MANILLA, M. E. CHURCH \$43.25

++ The complete list of subscriptions to the Newcastle relief fund will be found on page 5 of today's issue.

PLANS TO PAVE THIRD STREET AND OIL UNIMPROVED STREETS

PRIMARY VOTES 45 CENTS APIECE

When Claims are Allowed by City Council, it is Found Total Expense was \$424.00

936 VOTES CAST FOR MAYOR

Many Claims are Cut Down, Inspectors Being Allowed But Two Days Less Than City Election

The Newcastle relief fund was increased by \$120.75 today, bringing the total subscriptions by Rush county citizens up to \$2190.00. This is not far short of the \$2,500, the goal which the county set, and much more than even the most optimistic believed would be voluntarily donated for the aid of sufferers in the tornado of a week ago Sunday.

Many expressions have been heard on the fine way in which Rush county responded to the appeal for help from a neighbor. The contributing was characterized by the same good will that was manifested when a fund not much smaller than the present one was raised in this county in 1913 for the aid of Brookville people who lost heavily in the flood.

John W. Rodgers of Newcastle, chairman of the finance committee there, called Mayor C. L. Beabout up on long distance telephone last night to personally thank him and the citizens of Rush county for the liberal manner in which they had answered Newcastle's call for assistance.

Mr. Rodgers said he had intended to write a personal letter of thanks and acknowledgement for the contributions sent from here but that he had had no time to attend to correspondence. Mr. Rodgers said, however, that as soon as time permitted, he expected to write a letter to the citizens of Rush county thanking them on behalf of the citizens of Newcastle. Pending that time, however, he felt he should call by phone to let Rush county people know that Newcastle appreciated her efforts. Mr. Rodgers was so hoarse from a cold contracted while doing relief work that he could scarcely talk over the phone.

Four of the precincts cost \$54 each, one cost \$52 and the remaining one cost \$59. The board of election commissioners was allowed a total of \$50. The printing of the ballots and other election supplies cost \$37.

It is estimated that the city election next November will cost over twice as much as the primary. The council will probably have to create an additional precinct in each of the three wards and this alone will bring the cost up. This will be on account of the women voting. The precincts as they stand will be large for the vote if the women cast the vote that is expected.

RICHMOND PASTOR TO TALK

J. S. Hill to Preach Three Nights at United Presbyterian Church

There will be special services, evangelistic in nature, at the United Presbyterian church tonight, Thursday and Friday nights. The Rev. J. S. Hill, pastor of the Reed Memorial United Presbyterian church at Richmond, will conduct the services. There will be special music at the services. Tomorrow night the Children's white robed choir will sing. The services are in a manner preparatory to communion which will be observed Sunday, but at the same time are to be along evangelistic lines. The services will start at seven-thirty o'clock each night and the public is invited.

Council Instructs City Engineer to Draw up Specifications for Permanent Improvement

STREET NEEDS REPAIRING

Proposed Pavement Will Extend From Buena Vista Avenue to Julian Street on East

LIGHTER OIL TO BE USED

This Work to be Done Under Direction of Street Committee at Its Own Discretion

All unpaved streets in Rushville will be oiled this spring as in the past three years. This was made certain last night when the city council instructed the city engineer to draw up plans and specifications. Various plans for the oiling were discussed and the council seemed agreed that an oil lighter than that used in former years should be used.

The oiling will be done under the direction of the street committee and the committee will use its discretion as to what streets should not be oiled and the amount of oil to be placed on the streets. The plans will be exactly like those of other years and will probably be ready for adoption at the next meeting. After the adoption a date will be set for hearing remonstrances. The council is starting early so as to have the work completed as soon as possible.

Another improvement, permanent in nature, will likely be put through during the coming summer. This is the paving of Third street. On motion of Councilman Mauiy the city engineer was ordered to draw up plans and specifications for the paving of Third street from the east side of Julian street to Buena Vista avenue. The council believed Third street badly in need of this improvement and only recently an appeal

The New

Spring Bonnet

What about your new spring hat?

There is no one article of dress that a woman takes as much pleasure in buying as her first spring hat.

It seems to mark an epoch.

The second or third one is very interesting, but the purchase of the first is an affair of prime importance.

Don't let your pleasure be spoiled by making a mistake and getting the wrong thing either as to style or becomingness.

Keep your eyes open and see what is what before you buy.

Look at the military advertisements in your newspaper and see what is in the shops. A great many of the advertisements are illustrated and they will help you. Pretty soon you will have formed a definite idea of what you want—and when you have reached that point go and buy your hat.

You are sure to be right if you have made up your mind with full knowledge of what the market offers.

No Eggs, Milk or Butter

The following recipe shows how an appetizing, wholesome cake can be made without expensive ingredients.

In many other recipes the number of eggs may be reduced one-half or more by using an additional quantity of ROYAL Baking Powder, about a teaspoon, in place of each egg omitted.

EGGLESS, MILKLESS, BUTTERLESS CAKE

1 cup brown sugar	1/2 cup flour
1/4 cup water	1/2 cup cinnamon
1/2 cup shortening	1/2 teaspoon salt
2 ounces citron	2 cups flour
1/2 cup shortening	5 teaspoons Royal Baking Powder

The old method (fruit cake) called for 2 eggs

DIRECTIONS—Put the first eight ingredients into saucepan and boil three minutes. When cool, add the flour and baking powder which have been sifted together; mix well. Bake in moderate oven in loaf pan round tin with hole in center (best) for 35 or 40 minutes. Ice with white icing.

Booklet of recipes which economize in eggs and other expensive ingredients, mailed free. Address Royal Baking Powder Co., 135 William Street, New York.

ROYAL BAKING POWDER

Made from Cream of Tartar, derived from grapes, adds none but healthful qualities to the food.

NEGRO'S TRIAL SATURDAY

William Simmons, Who Stabbed Jessop Boy, Faces Assault Charge

William Simmons, the negro who, posing as an Indian, stabbed Charles Jessop, son of Deputy Sheriff Jessop of Connersville, will be tried in the Fayette circuit court next Saturday on a grand jury indictment charging assault and battery. Simmons was here previous to going to Connersville and attracted much attention on the streets. His true identity was not known until after he had been arrested and taken to Liberty for safe keeping. The Jessop boy, who was attacked without cause, has recovered. Simmons asked a change of venue but ten Fayette county citizens made affidavit expressing the opinion that Simmons could receive a fair trial at Connersville.

MORE RUMORS OF REVOLT

Story of Revolution Also Circulated

In Amsterdam

(By United Press)

Amsterdam, March 21.—Rumors of a German revolution were circulated on the stock exchange today, but so far as was evident from undisturbed telephone communication, and the regular operations of the railroads and the arrival of German papers there was no basis for the report.

FORTY-SIX ENTER PLEAS OF NOT GUILTY TODAY

Continued from Page 1.

political workers indicted on the charge of selling votes, were expected to enter a plea of guilty and be sentenced immediately.

Indications were that inside stories of election frauds in Indiana at the election last November 7 would be disclosed when the 160 men indicted for election conspiracy by the federal grand jury, were arraigned before Judge Albert Anderson in federal court.

Those arraigned today came from four cities in the state—Indianapolis, Evansville, Gary and Frankfort. The largest number—about 120—were from Evansville. They came to Indianapolis following an ineffectual attempt made by attorneys to have the arraignment held in Evansville to save the government the expense of bringing the men to this city.

Among the more prominent men arraigned were:

Police Chief Samuel Perrott, Indianapolis.

Mayor R. O. Johnson, Chief of Police William Forbis of Gary; Luke county Sealer Howard Hay and Gary City sealer C. M. Renflett, E. B. Osage, controller; Miles S. Sanders, assistant city engineer, of Evansville. Democratic Vanderburgh County chairman Edward Jechin and Republican Charrinen Charles Sihler.

Former Mayor Edmunds, Frankfort.

Beside these there are about 125 minor political workers and voters.

ALUMNI PLAY

The Arlington Alumni association will present a comic play, "The Deacon Entangled," at New Salem on Saturday evening, March 31. The play will begin at 8 o'clock. The lines are said to be full of humor and many amusing situations arise.

FIRST DEGREE

INHERITANCE TAX BEGINS AT DEATH

Judge Sparks Makes Decision in Claim of County Treasurer Against Folger Estate

NO RULING LIKE IT IN STATE

Under a decision of Judge Sparks the inheritance tax on an estate begins to accrue at the time of death and not after the estate has been appraised for inheritance tax purposes. The decision was given in the claim of John O. Williams, treasurer of Rush county against the estate of Pheobe Folger, seeking to collect the tax and interest from the date of her death. Judge Sparks held that this was the intent of the law and awarded the county judgment for \$437.68 inheritance tax and \$79.87 interest.

The court pointed out in his decision that the tax is paid upon inheritances and not upon an estate and that as soon as a person died the inheritance was left thus making the tax accrue from date of death.

The question has never been decided in the Indiana supreme court but the court cited several decisions from the higher courts of other states to uphold this contention.

Collars a Feature on

The New Spring Coats

Garments that can be worn open as well as buttoned closely to the neck are emphasized in our stocks.

The plaited collar of the coat here illustrated is one of the season's best. Worn high about the neck, it is serviceable for cold days, and worn open it is a splendid summer wrap.

Styles are on straight lines, especially in the more staple garments that appeal to American Women. Belts and

double belts; odd-shape pockets, a few rows of stitching, a few well-placed buttons—all of these touches contribute to Spring's New Styles.

Coats are so new, so distinctive, that you will not want to wear the old one any longer. The new beige shade will delight many this season. Other colors—Rookie, Periwinkle, Penelope, Young Leaf Green, Majenta and the perennially popular Navy.

You Will Pay Less For Your Floorcovering at Casady

Hitchcock under the management of Charles Dillingham, producer of "Chin-Chin," manager of the New York Hippodrome spectacles, and with Florenz Ziegfeld, Jr., of the Century Theater, New York, Mr. Dillingham has given "Betty" a gorgeous scenic investiture, as well as an unusually excellent company.

Tuneful music, pretty girls, cleverines and dainty costumes, all are to be found in generous measure in "Betty," which has won huge success in other cities than New York, such as Philadelphia and Boston. "Betty" marks the first appearance of the delightful and waggish Mr. Hitchcock in his latest offering is a notable cast, headed by Joseph Santley, delightfully remembered as the star of "When Dreams Come True," and an

envelope and remittance.

Spring Millinery Display

To Prevent Old Age Coming Too Soon!

"Toxic poisons in the blood are thrown out by the kidneys. The kidneys act as filters for such products. If we wish to prevent old age coming too soon and increase our chances for a long life, we should drink plenty of pure water and take a little Anuric," says the world-famed Dr. Pierce of Buffalo, N. Y.

When suffering from backache, frequent or scanty urine, rheumatic pains here or there, or that constant tired, worn-out feeling, the simple way to overcome these disorders is merely to obtain a little Anuric (double strength) from your nearest druggist and you will quickly notice the grand results. You will find it more times more potent than Lithia, and that it dissolves uric acid almost as hot water does sugar.

ADVICE TO WOMEN.

New Albany, Ind.—"I had been suffering from woman's trouble for several years. Had used several patent medicines which seemed to do me no good. At times I would lose consciousness and fall over on the floor I suffered so. I tried several doctors but they did not do me any good—they would only relieve me for the time being. My husband's mother told me about Dr. Pierce's Favorite Prescription. I took several bottles of it and am glad to say that I am now sound and well. I certainly think it is a great medicine and recommend it to anyone suffering as I did, for I am sure it will cure them"—MRS. CHARLES E. WELCH, 414 W. 6th St.

Get the "Prescription" from your druggist to-day—either liquid or tablets—or send Dr. V. M. Pierce, Buffalo, N. Y., 10 cents for trial package of the tablets.

"Not a crack nor pinhole in it!"

Go to your windows now and examine the shades.

See if they are speckled with those tiny holes and little ragged cracks that do so much to mar the looks of your windows. In

The Unfilled Grade of Brenlin Window Shades

You will find this great fruit of the ordinary shade overcome. It is made of a closely woven cloth without filling or chaff, and is coarser, and has no cracks and falls out in tiny little cracks and pinholes. Sun won't fade it nor water spot it. Made in many rich, lustrous tones and in Brenlin Duplex. Come see it.

Our People Pay.

The treasury department gleefully announces that the income tax may reach \$300,000,000 this fiscal year, which is some \$55,000,000 more than estimated by Secretary McAdoo in his annual report. On the other hand, the income from the customs duties will not exceed, if it reaches, \$200,000,000, or \$30,000,000 less than estimated by the tight-wire bookkeeper in charge of the nation's finances. Under republican rule 45 per cent of the expenses of running the government was raised at our ports from importers of competing products. This meant a fat revenue and protection to American industries. Any sartorial hyphenate who preferred European clothes to the American kind, could wear them, but before they got in Uncle Sam got a little boost in the shape of a protective tariff. Under this aimless regime customs duties provide but 20 per cent of the normal government expenditures and a man can import a train of cars loaded with foreign goods without paying enough duty thereon to meet the expenses of a McAdooian junket. It is our own people who pay.

Get the Spies.

Newspaper reports sent broadcast over the country from Washington tell us that there are a hundred thousand spies of foreign governments in the United States, and that these people are daily collecting information of our defensive measures, and forwarding that information to their home governments. If there are that number of spies in this country our own government officials must be aware of the identity of at least a portion of them. And if their identities are known why is it that they are still at large and pursuing their despicable calling to the detriment of the United States? Why are they not behind the bars, where they should be, and where they would be if it were any other country but ours? We do not need traitors or spies in this country, and the sooner they are kicked out or jailed or hung the better it will be for our own welfare. The man who can not respect and protect our flag and our country has no legitimate place in our midst, and we do not want him.

The council went "50-50" with the I. & C. last night and bought a lung-motor. The cost of the machine was \$150 and will be divided equally between the city and traction company. The lung-motor will be kept at the fire station where it can be secured by both the city and traction line. An expert from the lung-motor factory will instruct the police, members of the fire department and I. & C. employees in the use of the machine.

Several minor matters pertaining to charges to be enforced by the city treasurer in turning on and off water were threshed out. During the past winter many residents have called the city to turn off their water when water pipes were frozen. The order of the public service commission states that a charge for this accommodation should be \$1 and this will be followed to the letter. It was pointed out that the people call the city thinking there will be no charges when they know if a plumber is called there will be a charge. There will be no more free turning off and on of water. There is no charge for turning on new taps.

The expense of the primary election was included in the bill allowed by the council.

An ordinance was passed under suspension of rules compelling the Big Four railway to maintain a flagman at the First street crossing.

Several near accidents at this crossing caused the council to pass the ordinance.

Stop "dosing" Rheumatism.

It's pain only; not one case in fifty

requires internal treatment. Rub sooth-

ing, penetrating "St. Jacobs Oil" right

on the " tender spot," and by the time

you say Jack Robinson—out comes the

rheumatic pain. "St. Jacobs Oil" is

a harmless rheumatism cure which never

disappoints and doesn't burn the skin. It

takes pain, soreness and stiffness from

aching joints, muscles and bones; stops

inflammation, backache, neuralgia.

Turn up! Get a 25 cent bottle

of old-time, honest "St. Jacobs Oil"

from any drug store, and in a moment

you'll be free from pains, aches and

aches—*that's medical! Right response*

to the question, "What is the best oil?"

Red Head Sale Bills

kind that you see mostly around the

country.

Call for a demonstration of the

Pathe-Pathophone at Fred A. Cald-

er's office.

Pertinent to Farmers.

Every hour seems to draw this country nearer to war. No man can assure us that we will escape, for no man knows.

The year 1917 may see us shut off from all source of supplies from the outer world, and dependent entirely upon local production.

Facing such a possibility, it is incumbent upon every farmer to cultivate to the limit of his acreage and ability, and the town person who has a vacant lot should do the same.

The time to begin is now. If we place armies in the field those armies must be fed—and the products come from the farms.

Has Secretary Redfield overlooked Paraguay in his wonderful propaganda for export trade? Great Britain monopolized 30 per cent of the import trade of that country during 1916, the United States but 5.2 per cent. Our exports to Paraguay during 1916 declined 60 per cent, compared with 1913, a Republican tariff year, but there was an increase in our imports from that country. Is Paraguay beneath Mr. Redfield's notice?

"Eggs shaved two cents," says an exchange. Gosh! We always thought those storage companies kept them until they grew beards, and now we have the proof.

We note, however, that our brethren of the press are consistently unanimous on the subject of civilization. So are we, for we never lament over a dead dog.

Senor General Don Victoriano Carranza has been duly and pompously elected president of Mexico, but darned if we know which one of 'em he claims.

Uncle Sam is jogging right along toward war, and any day now we may expect to see him break into a gallop.

PLANS TO PAVE 3rd STREET AND OIL UNIMPROVED STREETS

Continued from Page 1.
was made to the council to place the street in condition between Morgan and Harrison streets.

By paving the street westward to Buena Vista avenue the brick would connect with the paved street at this point. Third street also connects with the brick pavement in Main and Perkins street. The street will not likely be paved without a fight. The paving effects the Indianapolis and Cincinnati Traction company and the traction company is expected by the council to oppose the paving. A legal battle may result, but the council is determined to put the improvement through, holding that a German agent can say to a ship captain "your vessel will be sunk at such and such a time." And these predictions are nearly always confirmed by facts. Other vessels, which pass the tests of the agents are spared, the paper says; and continues:

The German organization is very

vast and admirably disposed to take

advantage of all the elements at its

disposition. Of the 60,000 to 80,000

Germans now in Spain, the most

part are the officers of the German

army, marines, inventors, industrial

workers, commercial agents and

technicians of all sorts who have

sought employment on all parts of

the Spanish coast. In some instances they work for the lowest wages.

This German army is directed by

the consuls and heads of big Ger-

man enterprises, commercial and in-

dustrial, organized before the war.

They have created friendships

everywhere, especially among the

provincial authorities, the militaries,

the military chiefs, the commandants

of marines, the officers of the civil

guard, the engineers, the chiefs of public

service among which are the posts and telegraph

and the civil police.

This has given birth to a system

of espionage, sagely and methodically

organized, which acquaints the

Germans with most mathematical

and precise information for their

submarine campaign."

Several minor matters pertaining

to charges to be enforced by the city

treasurer in turning on and off water

were threshed out. During the past

winter many residents have called

the city to turn off their water when

water pipes were frozen. The order

of the public service commission

states that a charge for this accom-

modation should be \$1 and this will

be followed to the letter. It was

pointed out that the people call the

city thinking there will be no charges

when they know if a plumber is called

there will be a charge. There will

be no more free turning off and on

of water. There is no charge for tur-

ning on new taps.

The expense of the primary elec-

tion was included in the bill allowed

by the council.

An ordinance was passed under

suspension of rules compelling the

Big Four railway to maintain a flag-

man at the First street crossing.

Several near accidents at this cross-

ing caused the council to pass the

ordinance.

Try it the next time you suffer from

Mrs. Revilo Ferguson will entertain the members of the Friday Afternoon Embroidery Club at her home in North Harrison street on Friday afternoon of this week. * * *

The Knights Templar banquet to which all the Knights are invited is to begin this evening at 6:30 o'clock. Following the service of the banquet, the Temple degree will be conferred. * * *

The Woman's Missionary society of the United Presbyterian church was entertained this afternoon at the home of Mrs. S. H. Trabue in West Seventh street, beginning at 2:15 o'clock. * * *

A pleasant meeting of the Monday Afternoon Bridge Club was held with Mrs. J. C. Sexton at her home in North Main street Monday afternoon. Aside from the club members who spent the interesting period together, Miss Clara Haydon and Miss Bess Cleveland of Lexington, Ky., were entertained. The hostess served light refreshments. Mrs. O. M. Dale will entertain at the next meeting of the club. * * *

Officers were elected at the meeting of the B. N. Club held at the home of Miss Nellie Brown last evening. Miss Eleanor Doll was made president; Miss Kathleen Coyne, vice-president; Miss Effie Young, treasurer; and Miss Sylvia Lakin, secretary. The club colors of pink and white were used effectively in decorating the home with the same shades in evidence in the dainty luncheon which was served. The evening, following the short business meeting, was spent in a pleasant social way when the guests played several musical numbers. Members of the club present at the meeting were the Misses Kathleen Coyne, Eleanor Doll, Maymie Kuntz, Effie Young, Ethel Oakley, Sylvia Lakin, and Anna Gessler. Miss Gessler will have the next meeting of the club. * * *

Fourteen members of the O. N. T. Club spent a delightful afternoon together yesterday when they were entertained by Mrs. William Gordon at her home in North Morgan street. Some of the guests sewed while they chatted socially. The hostess served a delicious luncheon. Mrs. Fannie O. Smith is to entertain the club in two weeks. * * *

Miss Clorenne Amos will be among the guests at the elaborate luncheon to be given in the Claypool hotel in Indianapolis tomorrow honoring Dr. and Mrs. Edgar Stillman Kelly. The luncheon is to be given by the Matinee Musicale. Miss Amos also attended the meeting of the Musicale there this afternoon, being the guest of Mrs. Edenharder today and Mrs. Owen Morrell tomorrow. * * *

Social Calendar

Thursday

Social Dozen, with Mrs. Merrill Ball at 1033 North Morgan street, in the afternoon.

Yomo Club, with Mrs. Amos Baxter at 628 West Seventh street, in the afternoon.

Emanon Club, with Mrs. Harvey Allen at 305 East Seventh street, in the afternoon.

Grand Club, with Mrs. Frank Wilson at 612 North Main street, in the afternoon.

Mr. and Mrs. Emory Schmidt entertained at dinner last evening honoring their guest, Miss Dorothy Ross of Buffalo, N. Y. At six o'clock, an elegant three course dinner was served and a pleasant social evening followed for Mr. and Mrs. Mart Spivey, Miss Ruth Spivey, Miss Ross, Errol J. Stoops and Noley G. Newkirk. * * *

The twelve members of the Five Hundred Club spent a delightful evening last evening as the guests of Mrs. Lula Weeks at her home in North Willow street. The conclusion of the games of Five Hundred was marked by the service of a delicious luncheon. Miss Minnie Vaught will entertain the club members in two weeks. * * *

Fourteen members of the O. N. T. Club spent a delightful afternoon together yesterday when they were entertained by Mrs. William Gordon at her home in North Morgan street. Some of the guests sewed while they chatted socially. The hostess served a delicious luncheon. Mrs. Fannie O. Smith is to entertain the club in two weeks. * * *

Miss Clorenne Amos will be among the guests at the elaborate luncheon to be given in the Claypool hotel in Indianapolis tomorrow honoring Dr. and Mrs. Edgar Stillman Kelly. The luncheon is to be given by the Matinee Musicale. Miss Amos also attended the meeting of the Musicale there this afternoon, being the guest of Mrs. Edenharder today and Mrs. Owen Morrell tomorrow. * * *

A lovely party was given by Mrs. Theodore Reed at her home in North Main street yesterday afternoon. Six tables of guests played Bridge and several others were also entertained, during the course of the delightful affair. Miss Bess Cleveland and Miss Clara Haydon of Lexington, Ky., were among the guests of Mrs. Reed. A delicious one course luncheon, in which the appointments were daintily carried out, was served following the card games.

Ten members of the Immaculate Sodality met at the home of Miss Sylvia Mullins last evening and spent the evening in sewing articles for the bazaar. The first and second divisions were entertained by Miss Mullins. They will be entertained next week by Miss Helen Osborne. The members of the third division of the Sodality were entertained at the home of Miss Mary Moorman. * * *

When Mr. and Mrs. Fred Rutherford entertained the members of the Evening Card Club and several extra guests at their home in North Main street last evening, a very pleasant evening was enjoyed. The majority of the time was given over to the interesting rounds of Five Hundred, into which the guests entered with congeniality. A dainty salad luncheon was served late in the evening. Guests, aside from the club members, were Mr. and Mrs. Will Amos, Mr. and Mrs. Bert Davidson, and Miss Mary Amos. The next meeting will be with Mr. and Mrs. B. O. Simpson.

Vivid Shades Used In New Spring Coats

Vivid shades, which look particularly "springy," characterize the new spring coats, which are quite different from those a year ago. All shades of gold, tan and putty as well as big plaids are used in the pretty fabrics and because of these bright colors, they appear quite dressy, although in reality they are strictly for street wear. The huge pockets which reach the bottom of this coat add a distinct touch of style, to the long loose folds.

Varied Activities of Women

Bridgeport, Conn., munition factories employ over 4,000 women.

The tobacco factories of the United States employ over 100,000 women.

Mrs. Helen K. Holmes is the only woman stock broker in Wall street, New York.

The Empress of Russia is said to be the finest royal singer in the world.

Women school teachers in Hamilton, Ont., are to be paid a bonus of 5 per cent.

Miss Hallie M. Daggett is the only woman fire lookout in the United States forestry service.

Ida Tarbell declined to accept the \$7,500 a year position as a member of the federal tariff commission.

Miss Nellie A. Brown, connected with the United States' department of agriculture, is an expert in plant pathology.

Miss Anna L. Reese of Chicago is one of the few women in the United States who is at the head of a large grain company.

The highest salaried woman in the

Announcing Our New Lorophone

A High Class Musical Instrument
At a Reasonable Price

You, of course, will want to get the best phonograph for the amount you decide to spend. The LOROPHONE, with its rich, pure tone and splendid qualities will appeal to you strongly.

This instrument is constructed along new and exclusive lines. It is perfect in mechanical detail, unequalled in purity of tone, and beautiful in design and finish.

The LOROPHONE has TONE QUALITY—it exactly reproduces the human voice. The reproducer has exclusive features which soften the tone and eliminate, to a large degree, the scratching of the needle on the records.

It reproduces from all styles of records with equal perfection. The vertical cut records such as Edison, Pathé, Etc., can be used as well as the lateral cut, such as Victor, Columbia, Guardsman, etc.

We are showing this machine in several finishes, solid mahogany, golden oak and fumed oak. The record filing cabinet is of ample capacity.

The style is shown in the above cut, equipped with universal tone arm.

The model shown in cut is a wonderful instrument at the reasonable price of \$55.00. The LOROPHONE compares very favorably with higher priced instruments.

A DEMONSTRATION WILL CONVINCE YOU THAT YOUR HOME IS NOT COMPLETE WITHOUT A LOROPHONE

THE MAUZY CO.

Mrs. Guy Abercrombie, as chairman of the sixth district federation of clubs, attended a meeting at the Claypool hotel in Indianapolis today of the officers of the state federation and the district chairmen.

The program for the sixth district convention of Franchise Leagues to be held here on Saturday is very interesting. The event of the day is to be the luncheon to be held at the Windsor hotel at 1 o'clock to which all of the women of the city and county who are interested in the cause are invited. Plates to the luncheon are fifty cents and those who can attend are asked to notify Mrs. A. L. Gary or Miss Mary Sleeth on or before Thursday of this week.

Esther Griffen White, of Richmond, chairman of the district, will take charge of the meeting following the luncheon during which a talk is to be made by William D. Folke of Richmond, who is well known throughout the state as a writer and poet. In case Mr. Folke can not come, the address will be made by Prof. Harlow Lindley, also an interesting talker. Four musicians from Richmond are to furnish music during the program. During the morning session to be held at the court house assembly room, the county chairmen of the Leagues will meet.

ROUGHAGE NEEDED BY PEOPLE JUST THE SAME AS LIVE STOCK

No, it isn't a new brand of cold cream! Nor a freckle remover, nor a wrinkle eradicator! Neither is it a face bleach nor an astringent!

Roughage is food—coarse food, natural food. It is food that leaves residue in the intestinal tube after digestion has done its part. Unless the intestines are kept in a filled up condition by eating roughage, thorough elimination of all wastes cannot go on. Every farmer understands the principle of roughage. He knows the health of his live stock requires that they be fed roughage in winter time. Straw is roughage for live stock.

More necessary to humans than to live stock is roughage. And roughage for the human is the coarser foodstuffs, such as celery (especially the outer layers,) all raw vegetables (especially cabbage), and strong beans, asparagus, lettuce, spinach, onions, figs, prunes and other fruits with their skins and seeds (especially apples,) and cereals from which the bran has not been removed (such as rolled or cut oats or wheat), and bran in any of its various forms—the form of bread, muffins, or crackers being the pleasantest of course.

These rough foods make bulk and stimulates the contractions of the muscular fibers of the intestines that push the contents on their onward course.

You may apply locally all the wonder creams and lotions from Dan to Beersheba with no more hope of accomplishing a permanently beautiful complexion than a water lily might have of attaining its full beauty in the Sahara desert.

Your clean, clear complexion must come from within the body. And it must come from within a clean, healthy working body. And a clean, healthy working body is acquired and maintained only by the daily elimination of waste.

The reason why all wastes are not properly eliminated is because the right food is not eaten. Too much concentrated foods and not enough natural foods answers the riddle of the why of so many bad complexions. Such concentrated foods as sugars, fruit juices, starches, fats, and fluids leave little or no residue

and they provide no stimulation of the intestines.

You can kill two birds with the one stone—that lazy spring feeling and that muggy, muddy sometimes broken out complexion—if that stone be roughage. Eat more food that contains an indigestible residue and eat enough of it to do the work.

Waste matter in the tissues clogs the skin, disturbs the work of the kidneys, and affects nutrition. It depresses the vital force which in the early months is called "spring fever."

Cathartics and the old fashioned molasses and sulphur and such spring remedies afford only temporary relief and are not to be encouraged when natural foods are so accessible and of permanent value. The old idea that apple and grape seeds cause appendicitis is nonsense, as proved by physicians time and time again.

Following are a couple of anti-constipation menus, which may be exactly what you need for a spring tonic:

Breakfast.

Oranges.

Cut oats, cream

Toast and honey.

Bacon.

Luncheon.

Lentil stew.

Whole wheat bread.

Baked apple (skin eaten).

Dinner.

Vegetable soup.

Roast beef.

Spinach (large serving).

Baked potatoes (skin eaten).

Cabbage salad.

Graham bread.

Steamed fig pudding, lemon sauce.

II.

Breakfast.

Stewed prunes.

Cereal, cream.

Tomato omelet.

Graham toast.

Luncheon.

Pork and beans.

Boston brown bread.

Sliced pineapple.

Oatmeal macaroons.

Dinner.

Boiled mutton, caper sauce.

Stewed onions.

Lettuce salad, French dressing.

Bran wafers.

Lemon jelly, whipped cream.

James Winship and daughter, Mrs. Hubert Thomas, of Milroy attended the funeral of Robert Anderson yesterday afternoon.

LOCAL TEACHERS TO ATTEND MEET

Several From Here Will be Present
at Annual Gathering of Sixth
District Association.

OPENS AT NEWCASTLE FRIDAY

Program Continues Throughout Sat-
urday With Sectional Meet-
ings in the Morning.

Several teachers from the grade schools and high school here will go to Newcastle Friday evening for the annual meeting of the Sixth District Teachers' association. The meeting opens Friday night and will continue throughout Saturday. Prof. J. H. Scholl, superintendent of schools and Prof. S. F. Stewart of the high school have made arrangements to attend the meeting and several other teachers will likely attend.

The first meeting of the association was held in this city in 1915 and last year's meeting was held in Connersville. The meeting is open to all teachers in the sixth district and the attendance promises to be large.

All the regular sessions of the meeting will be held in the Christian church. The sectional high school session will be held at the Newcastle high school building. The program, while not considered as strong locally as some the association has arranged, will be interesting and should be a benefit to the teachers. The program follows:

Friday p. m.

Music—High school orchestra, (a) March, "The Bugle Boy," Engle-
mann; (b) Overture, "Diana," Ash-
er.

Music—High school chorus, (a) "Soldiers' Chorus from Faust," Gounod; (b) "A Song of Loyalty, Indiana," Kampe.

Address of Welcome—Supt. E. W. Lawrence, Newcastle.

Some Problems of Our Profession—
Pres. Robert L. Kelly, Earlham
College.

Saturday a. m.

Supt. E. W. Lawrence, presiding.
Music, High school orchestra, (a)
March, "Under the Banner of Vic-
tory," Rosey, (b) Selections from
Grand Opera, Asher.

Music—High School Girls' Chorus, (a) Welcome Pretty Primrose,
Cirocinski; (b) The Hunter's Song,
Invocation.

Announcements.

GENERAL BUSINESS MEETING.

High School Section—
George C. Bronson, presiding.
Features of Modern High School
Management—M. S. Hallman, Con-
nersville.

PRIMARY, INTERMEDIATE GRAMMAR.

Round Table—Subject Reading,
Reports from Schools and General
Discussion.

Leader of discussion, Supt. J. T. Giles, Richmond.

Summary of Discussion, Dean H. L. Smith, Indiana University.

Saturday p. m.

Supt. E. W. Lawrence, presiding.
Music, Intermediate Orchestra,
Our Boys' Brigade, Wenrich.

Department School Chorus—The
Heavens Resound—Beethoven.

Orchestra—March; The Boys
and Girls of Newcastle, Asher.

Report of committees.

Address—Dean H. L. Smith, Indiana University.

GERMAN RETREAT SLACKENS

Possible That They Are Reaching
Line of New Defenses.

(By United Press.) London, March 21.—The German retreat on the west front has slowed up. Dispatches from British head-
quarters stated that this might be attributed to stormy weather. It was also possible that the Germans were reaching the line of new de-
fenses.

The Paris official statement also indicated a similar slowing up of the German retreat and likewise remarked on the bad weather.

Warsaw—James Robinson fasted 31 days because he didn't have an appetite for food. Robinson, who is an inmate of the county infirmary, went fifty-two days without a bite to eat several years ago.

"PATHEPHONE"

Manufactured by Pathe Brothers

Having at different times, had the opportunity to secure the agency for each of the different talking machines, we were not exactly pleased with either the contract or the instrument, but when the chance came to get the PATHEPHONE, we did not hesitate, as we believe it is the BEST that is on the market today.

PATHE PATHEPHONE FEATURES Reasons Why You Should Own This Perfect Instrument.

It has the sweetest tone.

It has by far the most artistic effect of any musical instrument.

It gives the most natural sound reproduction.

It plays all makes of disc records perfectly.

It uses a genuine, round, highly polished permanent Sapphire Ball when playing Pathe Discs. This Pathe Sapphire never wears out and does not injure the surface of the record.

It is made with an all-wood Sound Chamber, amplifying the music in the fullest manner.

It has by far the most superior record repertory in the world, comprising selections recorded in every musical center.

Its Pathe Discs are all double-faced—including all operatic selections.

It has a perfect Tone-Control device for expression and volume.

In Playing Pathe Discs There Are No Needles To Change—No Metal Points To Dig Into And Ruin The Surface Of The Records.

STARTS MOVEMENT TO MERGE PAPERS

Effort Being Made to Combine Lon-
don Dailies and Send Staffs to
the Front.

TRYING IT ON DOG FIRST

Two Papers in One Town Ordered to
Merge Into One—Tribunal
in Charge.

(By United Press.)

London, March 2. (By Mail)—A shadow fell across the placid path of English journalism today. There is a movement afoot to induce all London newspapers to pool their properties and issue a single sheet, thus releasing the staffs of all but one on active duty at the front. They're trying it on the dog first. When the staffs of the two local papers in the little village of Petersborough appeared before the military tribunal for their regular semi-annual exemption they were informed that the Mayor had decided the two papers should merge into one, and that half of them could go and get measured for khaki.

The proprietors naturally sat up on their hind legs and howled.

But the ears of a tribunal are deaf and the publishers have less than a month to think it over.

Meanwhile, the movement is spreading to London.

The man with money
figured. He figured
on Banking some
of his earnings.
Now he has
money.

Who gets the
Money you earn?

All of the rich men you see comfortable today, fig-
ured when they were younger that they MUST HAVE
MONEY in the bank to start into any kind of business,
So they started a bank account.

You know the rest. That bank account grew into a
FORTUNE.

It can be just the same with you. There's no luck
about it.

Put YOUR Money in OUR Bank.
We pay 3 per cent interest.

WOMEN DECIDE TO RULE EVANSTON

Say They Are Tired of Men Officials
Who Spend Most of Their
Time in Chicago.

(By United Press.)

Evanston, Ill., March 21.—Weary of having mere men mayors and councilmen who spend their waking hours working in Chicago and let municipal affairs in this exclusive suburb go hang, the women of Evanston have drafted a system of Petticoat politics and plan to elect a woman-manned city administration this spring.

The women here have the franchise and the men rather expect them to put their plan into effect. Already they have one woman elected to the school directorship, and another a justice of the peace, the first in Illinois.

The plan is to have the women win all the elective offices, then appoint women to all the appointive offices, including the position of fire and police commissioner. However, the firemen and policemen themselves will continue to be men.

"We will admit that men know some things that we do not know about city affairs," said Mrs. Anna Rew Gross, wife of an attorney, today, "but we'll very soon learn them." Mrs. Gross is one of the movement's leaders.

DRESS WARM AND KEEP FEET DRY

Tells Rheumatism Sufferers to
Take Salts and Get Rid
of Uric Acid.

Rheumatism is no respecter of age, sex, color or rank. If not the most dangerous of human afflictions it is one of the most painful. Those subject to rheumatism should eat less meat, dress as warmly as possible, avoid any undue exposure and, above all, drink lots of pure water.

Rheumatism is caused by uric acid which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed thus forcing the kidneys to do double work; they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts, pour a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts are inexpensive, harmless and made from the acid of grapes and lemon juice combined with lime and sand with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, refreshing drink water to drink when you are subject to rheumatism.

Corset Service

Our corset service first consists of showing at all times a selection of models that we know are absolutely authentic for style; that are designed to fit comfortably and healthfully; and that represent the best value at every price.

Secondly, you will find our corsetiers carefully trained to assist in your selection of the model suited for your requirements, corset sold.

Finally, there is our guarantee with every corset sold.

Redfern Corsets

It is economical to buy good corsets, and Redfern Corsets at prices from \$3 to \$10, fitted by our corsetiers are a most advisable purchase.

We have both back lace and front lace styles

Warner's Rust Proof Corsets

At popular prices, from

\$1.00 to \$3.00

these corsets are famous for their comfortable fashionable lines, and for their service and wear. For every type of figure, back lace and front lace.

HAD DIFFICULTY FINDING EXPERTS

Brazilian Department of Agriculture Discovers People Here Fear Revolutions.

FINALLY GETS NINE MEN

Impression Seems to Prevail That Country is at War With Itself All Time.

Rio de Janeiro, March 1.—(By Mail)—Nine agricultural experts recently employed in the United States by the Brazilian Department of Agriculture, have just arrived in Brazil.

According to the story told by Sr. Oliveria Castro, the Brazilian government's agent sent to employ the experts he had extreme difficulty in finding men willing to go to Brazil because of the prevailing idea in the United States that revolutions were matters of daily occurrence.

After a great deal of effort and repeated assurances that revolutions took place only the story books and not in actual Brazilian life, he induced Professors O. T. Clawson, H. C. Sardine, W. C. Johnstone, J. E. Blohm, E. Pithman, R. H. Cook, Mauries Blohm, Dr K. E. Quantz and Dr. B. T. Harve to leave with him on the steamer "Minas Geraes."

When the "Minas Geraes" arrived in Pernambuco, the first Brazilian port, and as she hauled up to the docks there was the sound of rifle firing from within the city. There was great curiosity on board the ship, particularly among the Americans, as to what the disturbance meant.

A venturesome ship's officer brought back the news that a revolution was in progress. It turned out later that it was a mere celebration over a minor election and nobody was hurt.

But, as Sr. Castro expressed it, "The Americans clapped their hands to their heads."

They arrived safely in Rio de Janeiro and are busy showing the Agricultural Department new stunts

in fruit, grain, tobacco and other kinds of culture.

HERE'S STORY TO PROVE THIS FIRST DAY OF SPRING.

Kansas City, Mo., March 21.—This is the first day of Spring and here is a story to fit it. Every year the same robin redbreast returns to the flower garden of Thomas G. Beaumont's home and makes his nest in the snowball bush. Robbie is easily identified because he has only one leg. Or, if he has another, he never lets it down.

He has an eye for beauty too, this robin.

Every spring he brings the prettiest little girl robin of the whole bunch for his mate; and the spot he has chosen for his home is one of the most beautiful and artistic in all Kansas City. Robbie's advent is looked and hoped for by children and grownups for blocks around. He is expected almost any day.

BOY SCOUTS GET PRIZES.

(By United Press.)

Minneapolis, Minn., March 17.—Twenty troops of Boy Scouts today got their rewards

for feeding birds through Minnesotta's bleak and cold winter.

The contest was to ascertain the best feeders of birds, which perish in multitudes, when they do not get care in Minnesota's winters.

HOOSIER BRIEFS.

FEEDERS see my galvanized self-feeders for hogs. E. W. Albright, 134 West 1st. 316.

FARM HANDS FURNISHED—James N. Gwinne. 301t26.

AUTO REGISTRATION—and mortgage exemption blanks FREE at law office of J. Q. Thomas. 30811.

ATTENTION FARMERS—We have the best hog houses for sale. Pinell-Tompkins Lumber Co. Phone 1031.

LOST AND FOUND

FOUND—wrench. Republican office. 512.

LOST—bunch of keys, between Will Cross place and John McCarty place, where Jackson lives. Call W. O. Wright, Occident or Andrew Jackson, Rushville. 513.

FARMERS MAY GIVE BOND.

Richmond, Ind., March 21.—Business men of Centerville and farmers of Center township will meet tonight to discuss donating land for the site for a \$40,000 vocational high school to be located in Western Wayne county. Two-thirds of the cost of maintenance of the school would be paid by the state and the remainder by the county.

HURTY OFFERS OPINION:

Indianapolis, Ind., March 21.—That the child welfare movement is the most progressive movement started in this country in decades, is the belief of Dr. J. N. Hurty, secretary of the Indiana board of health.

"Regeneration and reformation of the human race depend entirely on child welfare," Dr. Hurty stated.

Environment, heritage and training are the basis of child welfare, he declared.

ONLY TWO MEN MISSED

(By United Press.)

Washington, March 21.—Only two men are missing from the interned German ships at Philadelphia, according to messages to the navy department. They are believed to have been drowned. The other men caught in the water were nearly driven to death by the cold water.

To the Farmers!

Having tried the creamery business through the worst time of the year for cream, I have secured a written lease on the local creamery and am here to stay. I aim to make friends by dealing honestly with the public. That is the only policy that will win.

Do you thing it justice to make one suffer for another person's failure? I have risked more this winter to try out the creamery than any farmer will ever risk in selling his cream to me.

Some have wondered that we have been able to stay during the winter on such a small amount of cream.

"There is a reason." In the first place, I am the only stockholder in the Burchard Creamery Company and I am running it on one-third the expense it cost the stock holding company.

We have worked up a good sweet cream trade and receive a good price for our buttermilk. The men having stock in the old company gave all of their time to other business. They hired men who cared more for themselves than for the success of their employer and ran the

stock holding company.

For my financial responsibility, I refer you to the Peoples National Bank, where I carry my account.

Yours for success,

Harry Burchard

\$101,800.00

When the clock struck 9:00 P. M. Saturday, we had written the above amount of Cyclone Insurance. Was yours included?
